

# What's happening in Specialist?

A brief newsletter from Senorita Carlson, Mr. Albrecht, and Ms. Farley

We wanted to reach out to our Mays families to tell them all the great things that are happening in Art, Spanish, and Gym! We have had a fun year getting to see the creativity, language acquisition, and athleticism our students have shown, and we can't wait to share it all with you!

## Spanish:

We are super excited to announce a school wide subscription to a Spanish learning website called Rock-A-Lingua! This website was paid for through a generous EcoLab grant. The website is chock-full of songs, games, and videos that help students learn basic Spanish vocabulary and grammar.

**Username: benjamin Password: bem**

Please check it out and play with your whole family!!! –**Senorita Carlson**

## Art:

### **Grade 5:**

Students are creating Aboriginal art dot painting.

### **Grade 4:**

Students are identifying value through monochromatic painting.

### **Grades 2-3:**

Students are creating 3D animals.

### **Grades K-1:**

Students are discovering secondary colors by mixing primary colors.

–**Mr. Albrecht**

## Gym:

We are literally climbing the walls (laugh out loud!). Seriously, we spent some time learning about climbing and we conquered the rock wall! Other activities so far this year: Football, soccer, hand/eye coordination, cooperative games/play, movement/dance, and fitness.

I enjoy teaching learners to "THINK ON THEIR FEET." I challenge my learners to keep working hard in the gym, while learning how to get and stay in shape. Put your best foot forward! –**Peace, Ms. Farley**
