**VIRTUAL LEARNING DAY**
We will have a virtual learning day this Friday, April 15. Students will log into google meet using the code: gap3w at 10:00 am for morning meeting and literacy and again at 1:00 for math. The rest of the day will be for students to complete assignments on Seesaw. Email or call my cell phone if you have any questions.

**MCA TESTING**
Starting next week, your child will begin taking the MCA test. This is a test for the state of Minnesota. Results will be mailed to you from the state when everything is complete. Our testing schedule is as follows:
- April 18-22: Reading MCA’s
- April 25-29: Math MCA’s

**READING:**
In reading this week we will practice the tools we will need to know and understand for the MCA test starting next week. Students will have the chance to practice sample questions together.

**WRITING:**
In writing this week we will think about the characters we have chosen for our realistic fiction books at a deeper level. We will also plan out our realistic fiction story using our “story mountain” graphic organizer.

**MATH:**
In math this week we will be learning about different types of graphs. We will also collect our own data and practice making our own graphs.

**Lunch This Week:**
- Apr. 11: Glazed Chicken Bites
- Apr. 12: Mongolian Beef
- Apr. 13: Beef Taco Meat
- Apr. 14: Chicken Fingers
- Apr. 15: Virtual Learning Day
- Apr. 18: Beef Taco Meat

*Soy Butter Sandwich is always and alternative.
