CUPS NEEDED
Our class could really use some dixie paper cups for our classroom to give to students who forget their water bottles. We are still unable to drink directly from our drinking fountains.

MCA TESTING
For MCA testing the next two weeks, it is imperative that students bring their iPads to school every day CHARGED. I will be asking your child to leave his/her iPad at school for the next two weeks just to make sure we can complete our MCA testing. If you really need your child to bring their iPads home, please let me know.

Homework will be on paper for the next two weeks as well due to iPads being at school. Testing dates are as follows:

- April 19-21: Reading MCA’s
- April 25, 26, 28: Math MCA’s

READING:
In reading this week we will be taking the MCA test.

WRITING:
In writing this week we will think about the beginning of our realistic fiction story. We will work on writing an interesting “hook” to our story by trying out a few different styles of writing.

MATH:
In math this week we will continue practicing our graphing skills. We will also review skills learned throughout the year including measurement and rounding.

Contact the Teacher
Ms. Amy Wittmann
651-744-2415 (Direct Classroom #)
651-269-3760 (Cell Phone #)
Email: amy.wittmann@spps.org
