How to Register for Classes on Student Portal

1. Login with username and password at spps.infinitecampus.org/campus/portal/student/stpaul.jsp

2. Click on “Student” and then on “Portal”

3. On the left-hand side of the screen click on “Course Registration”

4. Click on “Course Search”

5. Type in a course name or course number and click “Go”

6. Click on the course you want to request
7. Click on “Request this Course”

8. Your requested course will show up under “Requested Courses”

You’re good to go! Repeat steps 5-7 until you request all of your classes

If you want to remove a course...

First...
Select the course you want to remove under “Requested Courses”

Then...
Select “Drop This Request”
