READERS WORKSHOP

We will work on character traits again this week.

HISTORY/GEOGRAPHY

Our next unit will be on Native Americans. We’ll begin by learning about how people came to this continent over the land bridge, and then we’ll focus on the Inuit.

ODDS-N-ENDS

RHS clothing orders - Look for order forms (sent family style) in today’s folder.

Clothing - as the weather changes, students need to be prepared to go outside for recess.

Please note the district guidelines (printed on the back of today’s newsletter): also, temperatures in the building fluctuate, so wearing layers is a good idea.

MATH

We continue to work on unit 2 in math, learning about addition and subtraction strategies.

WRITERS WORKSHOP

We will begin working on memoirs this week. We’ll start by listening to memoir picture books and trying out the authors’ styles.

OCTOBER WORD WALL WORDS

city community countries exciting getting laughed schools to two too pretty prettier prettiest

Third graders will have the same list for the entire month. These words are based on the most commonly misspelled words for third graders. Please study words 5-10 minutes per night (as noted on the homework slip), until they are memorized. The test will be Friday, November 1.
