The four years have been fun. To the best mother and sister a young man can have. I love you ladies. To my best teachers Ms. Paulson and Ms. Garcia. Shout out to my senior class. We out of here! It's our time now. Class of 2012, we the best.

My memories of Humboldt is just getting this far. Passing all of my classes. Having positive people around me. Pastors, Teachers, Counselors, Parents, Siblings and friends. Thank you for all your help. The help that you have given me will help my future plans, dreams and goals. Love to all! And those to come.
As I begin to start thinking about my future as a college student I can't help but to also think of the things I have been through and what I have accomplished up to this point. I know I couldn't have done it without my family and friends who have been right there since day one. I also know if it wasn't for the great teachers and mentors who have taught me throughout the way. So yes lets think about the future but also who helped us get there.
These past four years were an adventure for me. I usually went up or straight down. I couldn't have done it without a few teachers, Ms. Chaffee, Ms. Hanson (Mary), Mr. Richardson and Mr. Macloud. Thank you guys so much for pushing me. A special thanks to my mom for never letting me get behind. Also my friends for never turning your backs on me. L.Z, S.J, D.F., M.S. L.B. Love you guys. “Instead of giving myself reasons why I can't, I give myself reasons why I can.”

It was fun to be at Humboldt. Every teacher was nice and did their best to help us learn. May God grant me the strength to always live by this creed.
