Welcome to the Washington Technology Magnet Secondary School Commencement Exercises

On behalf of St. Paul Public Schools, we welcome you to the Commencement Exercises for the Graduating Class of 2015 from Washington Technology Secondary School. Tonight is a very special night for our graduates. We ask for your assistance in helping to make this an evening to remember for everyone in attendance by limiting personal conversations, turning off cell phones, and most importantly, waiting until all students have received their diplomas to applaud and cheer.

As part of St. Paul Public Schools guidelines, horns, buzzers, whistles, bells, or other noise-making items are not permitted during the commencement ceremony. We ask that you please follow these guidelines to ensure a most respectful and enjoyable evening for everyone in attendance.

As we congratulate and bid farewell to our graduating class of 2015, we also would like to thank you for your continued support of Washington Technology Magnet and of all St. Paul Public Schools.

CONGRATULATIONS TO THE GRADUATING CLASS OF 2015!
