FIELD DAY
Field day this year will take place on Monday, June 6. This is a fun day with outdoor active games for our students to participate in. Please make sure to send a water bottle and sunscreen with your child on this day. More details about field day to come soon. If it rains on June 6, our make up field day will be June 8.

LAST 10 DAYS OF FUN AND CELEBRATION
As we wind down the last 10 days of school, we are popping a balloon in our classroom at the end of each day to reveal the special surprise or event for our class for the following school day. I will send a message on seesaw and an email to families if there is something your child is allowed to bring to school the next day. Let me know if you have any questions. Let’s have fun celebrating our learning!

READING:
In reading this week we will be reading and learning about different types of poetry. We will discuss why the author wrote the poem and what feelings, thoughts, and ideas the poems elicit.

WRITING:
In writing this week we will continue studying poetry. We will write an acrostic and a list poem this week as we begin to collect poems into our Poetry Anthology Books.

MATH:
In math this week we will work on a variety of games and activities to practice our multiplication facts. We will also learn more about 3-dimensional shapes.

Contact the Teacher
Ms. Amy Wittmann
651-744-2415 (Direct Classroom #)
651-269-3760 (Cell Phone #)
Email: amy.wittmann@spps.org
