What is Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Jointly Developed with Parents

The parents at Dayton’s Bluff Achievement Plus Elementary School helped develop this Compact for Achievement. School-wide meetings are held each year to update the compact. Parents are welcome to contribute comments at any time.

For more information on the 4th Grade compact please contact our school office at 651-293-8915.

Communicating about Learning

Dayton’s Bluff Elementary is committed to communicating regularly with families about children’s learning. Some of the ways you can expect us to communicate are:
- Monthly Newsletter
- Weekly Thursday take home folders
- Calls, emails and notes will be returned within 24 hours.
- Updated website
  www.daytonsbluff.spps.org

Do you have questions about your child’s progress? Parents can contact their child’s teacher at 651-293-8915.
In 4th Grade Classrooms

The 4th grade team will work with students and their families to support students’ success in reading and math. Help your students by:

Math:
- Practice basic facts (addition and subtraction first, followed by multiplication and division), fractions.
- Teachers will send home weekly practice in the form of flash cards, timed tests, strategy ideas and fact triangles, technology practice ideas.
- Students practice daily.

Reading:
- Build reading comprehension, interest, and stamina.
- Send home weekly reading passages including guiding questions and vocabulary. Parents will be informed about reading expectations and shared with parents at fall conferences.
- Students practice daily.

At Home

Dayton’s Bluff parents joined staff to develop ideas about how families can support student’s success in reading and math. Examples:
- Have fun with math. Play math games, access IXL at home and in school, and use math apps on the iPads.
- Involve students in reading recipes.
- Have your child read 30 minutes daily.
- Attend Family Fun nights and/or get involved in the planning of the event.

SPPS Achieves
Long Term Outcomes:
- Decrease disparities in achievement based on race, ethnicity, culture and identity.
- Increase achievement of English Learners.
- Increase achievement of students receiving special education services.
- Improve kindergarten readiness.
- Increase academic growth in reading and math for all students.
- Prepare all graduates for college, career and life.

School Goals

Reading: The percent of all students scoring proficient or higher in reading will increase from 18% to 28% by spring 2020 as measured by the MCA III Reading Assessment administered in April 2020.

Math: The percent of all students scoring proficient or higher in math will increase from 16% to 26% by spring 2020 as measured by the MCA III Math Assessment administered in April 2020.

Equity: 100% of students will have access to tiered levels of behavior support that allow them to achieve at their highest potential academically and emotionally. This will be measured by a 10% reduction in ODR’s.

DAYTON’S BLUFF STUDENTS

Dayton’s Bluff students, staff and parents developed these ideas about how they can succeed in school and excel in math and reading. We used the following ideas to make connections between learning at home and school:
- Talk with my parents about what I am learning in math and reading.
- Bring home our school newsletters and attend Family Fun nights.
- Read 30 minutes a night. Keep a reading log and have parents sign it.
