A note from Ms. Jasiczek:

Happy Spring!

Thank you to all the families who made it to Spring Conferences! It was great catching up with families about the wonderful things we have been doing in class. As we move into April, I just want to remind families that we will start MCA (Minnesota Comprehensive Assessment) in Reading and Math. This will be taken on iPads. Please help remind your student to have a fully charged iPad and headphones.

I also mentioned at conferences that students now have a half sheet of paper to do for homework in addition to reading. This homework should take about 10 minutes to complete. We go over the homework the next day to find any misconceptions.

Sincerely,

Ms. Jasiczek
