SAINT PAUL PUBLIC SCHOOLS
QUARTERLY FINANCIAL REPORT

FOR THE PERIOD ENDING
December 31, 2018
December, 2018 Quarterly Financial Report

The December 31, 2018 Quarterly Financial Report is an update to the Board of Education on the current fiscal year 2018-19 budget and it includes a projection of Revenue, Expenditures and Fund Balance as of June 30, 2019.

A budget is a living, viable document. Once the budget is adopted in June, the Board is asked 3 times during the following year to look at and approve the changes that occur in the District’s revenue and expenditures in each of the 7 funds. The final determination, by fund, occurs each fall, following the acceptance of the audit report.

Reminder: the Governmental Accounting Standards Board, known as GASB 54, prescribes the fund balance accounts within the General Fund. The unassigned fund balance in the General Fund is required to maintain a balance of 5% as referred to in Board policy. The fund balance in the Food Service fund is controlled by federal USDA regulations.

Highlights in the report include the following:

Page 1
The General Fund includes the five fund balance categories. Please refer to the financial definitions sheet for descriptions of fund balances.

General Fund revenue is projected to increase by $1.8 m in the following areas: Local levy sources increasing by $2.7 m due to levy adjustments and tax increment financing (TIF) revenue. State aid decreasing by $4.9 m due to enrollment decline, Operating Capital revenue increasing by $3.3 m due to the sale of the Albion property, and other revenue increasing by $0.6 m for misc. items.

SPPS Administration is monitoring the impact of the recent 6 snow days on overall revenue. No adjustments have been made to the projections in the General Fund for snow days at this time.

Expenditures are projected to increase by $8.7 m. Areas that contribute to the projected increase include: Facilities (Operations & LTIFM program budgets), the Substitute budget, and the Transportation budget which are all projected to be over the FY19 allocation amounts.

These changes result in a projected unassigned fund balance of 6.1%, which is within the 5% Board of Education policy.

Page 2
General Fund, Fully Financed: Revenue is projected to be under budget by $8.9 m due to lower expenditures, mainly grants and Federal entitlements. Expenditures are projected to be under budget by $9.2 m, mainly in the areas of Title I & Title II. Fund balance is projected to slightly increase by $0.2 m.

Page 3
Revenue is projected to decrease by $1.6 m due to a projected decrease in meals served this year due to multiple snow days and a decrease in enrollment. The Community Eligibility Provision (CEP) provides free breakfast and lunch to all enrolled students and continues in 40 sites for the current year. The Fresh Fruit and Vegetable Grant has resumed in FY19 at 23 schools.

Expenditures are projected to decrease by $1.6 m. Projected reductions are in labor and food associated with the decrease in meals served and improvements in metrics tracking labor based on meals served per hour. Nutrition services has implemented a strict 4-week cycle menu to better control costs and inventory as well as increase variety. Breakfast to go continues to be available district wide at no charge.

Fund balance is projected to slightly decrease. The projected fund balance is below the maximum allowed fund balance as defined as 3 months of average monthly expenditures.

Page 4
Revenue is projected to increase by $0.7 m with Discovery Club and Community Education Admin having the largest revenue increases. Expenditures are projected to decrease by $1.4 m. School Readiness, Adult Basic Education, Discovery Club, and Early Childhood/Family Education will have the largest decreases in expenditures. Fund Balance is projected to increase by about $1.9 m. mostly in the areas of Discovery Club, School Readiness, Adult Basic Education, and Early Childhood Family Education.
Highlights of the December 31, 2018 Quarterly Financial Report (continued)

Page 5
Community Service, Fully Financed Fund: Revenue activity is projected to be lower than budget by $0.7 m within individual Community Education fully financed grant programs, specifically 21st Century grants. Expenditures are projected to lower than budget by $0.4 m within individual Community Education fully financed grant programs (21st Century grants). Also contributing to this projection are the non-public textbook aid budgets which are projected to be fully spent by fiscal year end. Fund Balance is projected to decrease by $0.2 m in the restricted category for Community Service.

Page 6
Building Construction Fund: Revenue is projected to increase by $70 m from the anticipated sale of Certificates of Participation during April 2019.

Certificate of Participation expenditures are expected to increase with the addition of Como Senior, Linwood-Monroe Upper, Linwood-Monroe Lower, American Indian Magnet and Phalen Lake projects in the FY19 plan. LTFM expenditures have been transferred to the General Fund. Capital Bond expenditures are anticipated to exceed revenue by approximately $9.9 m.

Fund Balance is projected to decrease by $1.3 m. Capital Bond overexpenditures added to the Capital Bond Fund balance deficit resulting in a projected deficit of $37.2m. Certificate of Participation Fund Balance will increase by $8.6 m. Use of funds from the Certificates of Participation are restricted to construction approved by the Commissioner of Education in accordance with the District's Desegregation plan specific to construction at: Adams Spanish Immersion, Horace Mann, Humboldt, American Indian Magnet, Obama and Phalen Lake Hmong Studies, Como Senior and Linwood-Monroe Upper and Lower during FY19.

Page 7
Debt Service Fund: Fund balance is projected to increase by $22 million due to the net effect of the escrow activity for bond refunding and the net change of revenue and expenditures.

Policy Update
Committee of the Board Meeting

Cedrick Baker, Chief of Staff
Will Forbes, Assistant General Counsel

March 5, 2019
Legislative Change to Uniform Municipal Contracting Law

- Minn. Stat. § 471.345 establishes contracting requirements and dollar value thresholds that require certain procurement requirements
- Recently, the dollar value threshold increased from $100K to $175K
- Because SPPS Policy 713.00 references and incorporates Minn. Stat. § 471.345, it will also incorporate the increased threshold
- If Board takes no action, Policy 713.00 will automatically allow the District to not use advertised public bidding for projects under $175K
Questions for Board Following the Legislative Change

- **Procurement:** Does the Board want to follow the change in the law and increase the dollar value threshold that requires advertised public bidding?
  - Option #1. Do nothing. If the Board wants to allow the increased limit of $175K to take effect, then no policy changes are required.
  - Option #2. Amend Policy 713.00. If the Board wants to require that District policy requires advertised public bidding at a lower dollar value threshold (e.g. $100K), then the Board can amend Policy 713.00 to be more restrictive than the statute.
Questions for Board Following the Legislative Change

● **Oversight.** At what dollar value does the Board want to review contracts?

Presently, the Board reviews and approves any contract for services or the purchase of goods over $100K. The Board may maintain that review level or increase the amount that requires Board review and approval to $175K.
Discrimination, Harassment, Violence, and Retaliation - Policy 415.00

- Revised policy; last revised in 2008
- Board members requested that this policy be reviewed
- Provides greater clarity to sections relating to prohibited conduct, reporting, investigations, retaliation, and corrective action

- Revisions and Additions made to policy:
  - General statement of policy
  - Retaliation
  - Reporting procedures
  - Investigation and Corrective action
  - Updated definitions for district personnel, harassment, sexual harassment, sexual violence

2. In a District building or department in which there is no principal, the Responsible Administrator is the supervisor of that building or department or that supervisor’s designee.

I. Materially Adverse Action

Any action that causes or threatens to cause significant injury or harm to a reporter, complainant or other covered person such that it would likely dissuade a reasonable student or District personnel from making or supporting a good-faith report of an alleged violation of this policy. Adverse action does not include an action, including employment or academic action, that would have been taken regardless of the good-faith report of misconduct.

J. District Human Rights Officer

1. The District Human Rights Officer is the Director of Equal Employment Opportunity.

2. The Board of Education hereby designates the Director of Equal Opportunity as the District Human Rights Officer to receive reports or complaints of discrimination, harassment, violence, or retaliation prohibited by this policy.

3. In the event the position of the Director of Equal Employment Opportunity is vacant, the interim District Human Rights Officer is the individual designated by the superintendent.

IV. REPORTING PROCEDURES

A. Any person who believes that such person has been the target or victim of discrimination, harassment, violence, or retaliation in violation of this policy by a student, teacher, administrator, or other District personnel, or any person with knowledge or belief of conduct which may constitute discrimination, harassment, violence, or retaliation prohibited by this policy toward a student, teacher, administrator, or other District personnel or group of students, teachers, administrators, or other District personnel must report the alleged acts immediately.

Commented [JJ4]: This definition is new to the policy and relates to the expansion and clarification of the retaliation prohibition.

Commented [JJ5]: This is new to the policy.

Commented [JJ6]: Most of these procedures are the same or similar to what the District currently has in place. The District Human Rights Officer is new so any forwarding or submitting of reports of policy violations to that person is new to this policy. In addition, new to the policy are the timeframes in which acts of discrimination, harassment, violence, or retaliation must be reported to the District (no more than 1 business day); written down by the RA, if a verbal report (no more than 1 business day); or reported to the RA and District Human Rights Officer (no more than 1 business day).
7

to an appropriate District official designated by this policy. A person may report conduct which may constitute discrimination, harassment, violence, or retaliation anonymously. The District, however, may not rely solely on an anonymous report to determine discipline or other remedial responses.

B. The District encourages the reporting party or complainant to use the 415.00.1 Form, but oral reports shall be considered complaints as well. All oral reports, however, must be promptly reduced to writing on the 415.00.1 Form by the Responsible Administrator.

C. Nothing in this policy shall prevent any person from reporting discrimination, harassment, violence, or retaliation directly to the District Human Rights Officer or to the superintendent. If the complaint involves the Responsible Administrator, the complaint shall be made or filed directly with the superintendent or the District Human Rights Officer by the reporting party or complainant.

D. At the building or department level, the Responsible Administrator is the person responsible for receiving oral or written reports of discrimination, harassment, violence, or retaliation prohibited by this policy. Any adult District personnel who receives a report of discrimination, harassment, violence, or retaliation prohibited by this policy shall inform the Responsible Administrator immediately, unless the complaint involves allegations against the Responsible Administrator. If the complaint involves allegations against the Responsible Administrator, the complaint shall be made or filed directly with the superintendent or the District Human Rights Officer immediately. The Responsible Administrator and the District Human Rights Officer shall ensure that this policy and its procedures, practices, consequences, and sanctions are fairly and fully implemented.

E. A teacher, school administrator, volunteer, contractor, or other school employee shall be particularly alert to possible situations, circumstances, or events that might include acts of discrimination, harassment, violence, or retaliation. Any such person who witnesses, observes, receives a report of, or has other knowledge or belief of conduct that may constitute discrimination, harassment, violence, or retaliation shall make reasonable efforts to address and resolve the discrimination, harassment, violence, or retaliation and shall inform the Responsible Administrator immediately, unless such person knows or has reason to believe that the Responsible Administrator has engaged in the conduct prohibited by this policy. In such cases, the report should be made directly to the superintendent or District Human Rights Officer immediately. District personnel who fail to inform the Responsible Administrator of conduct that may constitute discrimination, harassment, violence, or retaliation or who fail to make reasonable efforts to address and resolve the discrimination, harassment, violence, or retaliation in a timely manner may be subject to disciplinary action.

F. Upon receipt of a report, the Responsible Administrator must notify the District Human Rights Officer immediately, before screening or investigating the report.

Commented [JJ7]: This language is new; although reporting has always been required by the procedures and, as such, failure to comply could have subjected an employee to discipline.
The Responsible Administrator may request, but may not insist upon, a written complaint. A written statement of the facts alleged will be forwarded immediately by the Responsible Administrator to the District Human Rights Officer. If the report was given verbally, the Responsible Administrator shall personally reduce it to written form within one (1) business day. Failure to forward any report or complaint of discrimination, harassment, violence, or retaliation as provided herein may result in disciplinary action against the Responsible Administrator.

G. If a complaint of conduct prohibited by this policy involves allegations against the District Human Rights Officer, the complaint shall be immediately filed directly with the superintendent. If a complaint of conduct prohibited by this policy involves allegations against the superintendent, the report may be filed directly with the Board of Education.

H. The District shall conspicuously post the name of the District Human Rights Officer, including mailing addresses and telephone number.

I. Submission of a good faith complaint or report of discrimination, harassment, violence, or retaliation prohibited by this policy will not affect the complainant or reporter’s future employment, grades, work assignments, or educational or work environment.

J. Use of formal reporting forms is not mandatory.

K. Reports of discrimination, harassment, violence, or retaliation prohibited by this policy are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law.

L. The District will respect the privacy of the complainant(s), the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the District’s legal obligations to investigate, to take appropriate action, and to comply with any discovery or disclosure obligations.

M. Retaliation against a victim, good faith reporter, a witness of discrimination, violence, harassment, or retaliation, or an individual involved in formulating or implementing corrective action is prohibited.

N. False accusations or reports of discrimination, harassment, violence, or retaliation against another person are prohibited.

O. A person who engages in an act of discrimination, harassment, violence, retaliation, or false reporting of discrimination, harassment, violence, or retaliation, or permits, condones, or tolerates discrimination, harassment, violence, or retaliation shall be subject to discipline or other remedial responses for that act in accordance with the District’s policies and procedures.
V. INVESTIGATION

A. By authority of the District, the Responsible Administrator, within three (3) business days of the receipt of a report or complaint alleging discrimination, harassment, violence, or retaliation prohibited by this policy, shall undertake or authorize an investigation. The investigation may be conducted by District officials or by a third party designated by the District.

B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents or electronic files and/or videos deemed pertinent by the investigator.

C. In determining whether alleged conduct constitutes a violation of this policy, the District should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved, and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on the facts and surrounding circumstances using a preponderance of the evidence standard.

D. In addition, the District may take immediate steps, at its discretion, to protect the target or victim, the complainant, and students, teachers, administrators, or other District personnel pending completion of an investigation of alleged discrimination, harassment, violence, or retaliation prohibited by this policy.

E. The investigation will be completed within 30 business days from receipt of the complaint, unless it is impracticable to complete the investigation within this timeframe. The person completing the investigation shall document the investigation and its conclusion on the Form 415.00.1. The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy. Upon completion of the investigation, the Responsible Administrator shall ensure that the Form 415.00.1 and any other report of the investigation are submitted to both the District Human Rights Officer and to the following individual:

1. For an investigation involving allegations against a student, to the area assistant superintendent; or

2. For an investigation involving allegations against District personnel, to the Executive Director of Human Resources or the Executive Director’s designee.
VI. DISTRICT CORRECTIVE ACTION

A. The District will take corrective action for any violation of this policy. Such corrective action will be consistent with the law and regulations, District policies, and any relevant collective bargaining agreements.

B. Corrective action will be sufficiently severe to try to deter violations and to appropriately discipline prohibited behavior.

   1. Corrective action for students who commit, or are a party to, prohibited acts of discrimination, harassment, violence, or retaliation, or who engage in intentional false reporting of discrimination, harassment, violence, or retaliation may include, but are not limited to, remedial responses, positive behavioral interventions, warnings, transfer, suspension, and/or expulsion.

   2. Corrective action for employees who permit, condone, or tolerate discrimination, harassment, violence, or retaliation, or who engage in intentional false reporting of discrimination, harassment, violence, or retaliation may include, but is not limited to, remedial responses and/or disciplinary action up to and including termination or discharge.

   3. Corrective action for other individuals engaging in prohibited acts of discrimination, harassment, violence, or retaliation, or who engage in intentional false reporting of discrimination, harassment, violence, or retaliation may include, but not be limited to, exclusion from District property and events and/or termination of services and/or contracts.

C. The District may also discipline any student, employee, or other personnel of the District for derogatory statements or conduct based on the characteristics identified in Section I of this policy, which do not constitute illegal discrimination, harassment, violence, or retaliation but nonetheless are inappropriate.

D. The District is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of the District, except as permitted by law.

E. In order to prevent or respond to acts of discrimination, harassment, violence, or retaliation committed by or directed against a child with a disability, the District shall, where determined appropriate by the child’s individualized education program (“IEP”) or Section 504 team, allow the child’s IEP or Section 504 plan to be drafted to address the skills and proficiencies the child needs as a result of the child’s disability to allow the child to respond to or not to engage in acts of discrimination, harassment, violence, or retaliation.
VII. RETALIATION

A. The District unequivocally prohibits retaliation, and will discipline or take other appropriate corrective action, against any person to whom this policy applies that engages in retaliation or threatens retaliation against any person who has or is believed to have:

1. Reported, asserted, or alleged a violation of this policy or any other policy, law, or regulation;
2. Made a good faith report of an alleged violation of this policy or any other policy, law, or regulation;
3. Acted as a witness in any investigation of a complaint alleging a violation of this policy or any other policy, law, or regulation;
4. Testified, assisted, or participated in any fact-finding or investigation, hearing, or proceeding regarding an alleged violation of this policy or any other policy, law, or regulation; and/or
5. Assisted in formulating or implementing corrective action in response to a violation of this policy or any other policy, law, or regulation.

B. Retaliation includes, but is not limited to, any form of intimidation, reprisal, harassment, or intentional disparate treatment. Retaliation also means any materially adverse action or credible threat of a materially adverse action by the District, or any employee thereof, taken against any employee or student for having made a good-faith report of District misconduct. Disciplinary consequences will be sufficiently severe to deter violations and to appropriately discipline the individual(s) who engaged in the retaliation.

VIII. DISSEMINATION OF POLICY AND TRAINING

A. This policy shall be conspicuously posted throughout each District building in areas accessible to students and District personnel.

B. This policy shall be given to each District employees and independent contractors that regularly interact with students at the time of initial employment with the District.

D. The District shall develop a method of discussing this policy with students and employees.
