"Jackson provides a safe, nurturing, respectful and inclusive environment that offers all children opportunities for acceleration and enrichment to develop their full potential and prepare them to be successful, responsible citizens."

Nyob zo! Jackson Preparatory believes that children are everyone’s priority. Our teachers, parents, community partners, and the St. Paul Promise Neighborhood Initiative are all committed to nurturing each student as a remarkable individual. With two computer labs and iPads for every teacher and student, educational technology is integrated in daily instruction and curriculum to accelerate learning inside and outside of the classroom. Our classroom curriculum is enhanced by specialists in Science, Music, Physical Education, Technology. All students have the opportunity to examine their own culture, language, history, and traditions, with a unique school-wide focus on Hmong Studies.

Jackson Hmong Dual Language Program Hmong Dual Language is offered at all grade levels, Pre-K through 5. Dual language is an educational model in which students are taught core content in two languages. Each year, as students progress to the next grade level, they become increasingly proficient in both Hmong and English. Our Hmong Dual Language Program has been designed for all students, native and non-native Hmong speakers.

Reading SMART Goal:
The percentage of students meeting grade level standards in reading will increase from 22% to 29% by Spring 2020 as measured by the Spring 2020 state standardized reading test (MCA).

Math SMART Goal:
The percentage of students meeting grade level standards in math will increase from 18% to 24% by Spring 2020 as measured by the Spring 2020 state standardized math test (MCA).

SCIP Goal: Our students will increase their language output during Readers Workshop and Math Workshop, during whole group and small group instruction.
  Math:
  Our teachers will facilitate meaningful math discourse.
  Our teachers will pose purposeful questions.

  Reading:
  Our teachers will support student engagement through cooperative routines such as Turn and Talk or Think, Pair, Share.

PBIS/School Culture

SCIP Goal: Teachers will use Innocent Classroom, MindUP, and Teach Like a Champion 2.0 to create a culture of common language and high expectations for every learner.
