Message from Principal John Bjoraker
(Mr. B.)

Dear Farnsworth Aerospace PreK-4 families,

Thank you for another successful week of school. We are continuing to get better each day. I know that transportation is still a challenge. We will continue to communicate as best as possible when we know there are late busses. Please be patient with us as we work through our transportation transition.

I would like to remind you that if you are going to pick up your child early from school, please call our main office before 3:00PM.

We will have Picture Day on Monday October 4th. You will receive the picture order form from Lifetouch in your child's Friday Folder.
If you have any specific questions or concerns, please contact me at 651-293-8675 or by email at john.bjoraker@spps.org

Pick-Up & Drop-Off at the End of the School Day
To ensure the safety of all students and families, parents electing to pick up their children must pick up along the Ivy Street doors. Students will be waiting near the Ivy Street doors and will be dismissed by an adult supervisor once the parent has identified themselves. Parents should identify who is allowed to pick up their children in the main office. If someone else is picking up your child, please send written permission with the name of the adult picking up your child.

Please be alert when dropping off or picking up your children. We want all students to be SAFE! Watch carefully for children who are crossing at designated areas and be careful when driving near any school buses. Any student being dropped off will only be able to enter the building using the doors at Ivy Street. Parents who choose to escort their children into the building will need to park their car and enter through the Hyacinth doors. To relieve traffic congestion and to ensure the safety of all adults and children, please park your car in a legal parking spot.
