Last Day of School! Gathering |
Upcoming important dates:
Monday, May 30th - Memorial Day - No School
Thursday, June 2nd - Visiting the Upper Campus
Friday, June 10th - Last Day of School

What’s happening?

**Reading:** We will finish our book clubs and do a whole class book club on Tuck Everlasting.

**Writing:** We will finish off the school year working on making a realistic fiction graphic novel.

**Math:** We will finish the school year working on some math concepts that were confusing earlier in the year and designing/researching Apps to make an App Prototype.

A note from Ms. Jasiczek:
Hello families!
I can't believe we are down to less than 30 days of school. It's been a rollercoaster kind of year with some students getting back into the swing of in person school, mask wearing to not mask wearing, and online Gatherings. It's been fun to be back in person with students. As the school year rolls to an end, we like to have our 4th graders meet with the 5th grade teachers. On Thursday, June 2nd, the 4th graders will be walking over to the Upper Campus for a tour of the school and to meet the 5th grade teachers and their classrooms. After meeting with the teachers and touring the school, we will walk over to Palace Rec for a 4th grade picnic and some games on the fields. Please let me know if you have any questions about this.

Thank you for being so supportive this school year! Have a wonderful summer.

Sincerely,

Ms. Jasiczek
