**Teaching Schedule Change for November 23-25**

Please note the following change in the teaching schedule for the week of November 23-25. There is no school on Friday November 20 (staff professional development day) as well as November 26-27 (Thanksgiving). Students have been informed and should record this information in their planners so they attend the correct class on the correct days at the correct time. Period 7 meets twice that week since it will not meet on November 20 as there is no school that day.

Monday:
8:30-9:25 P7
9:30-10:25 P1
10:30-11:25 P2
11:30-12:25 P3

Tuesday:
10:00-10:55 P4
11:00-11:55 P5

Wednesday
10:00-10:55 P6
11:00-11:55 P7

**Change in Teaching Schedule: Effective November 30**

Based on the feedback from the survey results from students, parents and staff regarding the current teaching schedule a new schedule will go into action on November 30. This new schedule provides increased times for direct teaching and spreads out the class meeting times. Students were informed, but please make sure your child is ready for the new schedule on November 30. Thank you for your patience as we monitored, modified and adjusted to better meet the needs of our students. The schedule was sent out in a previous email and is also on our website.
**Give to the Max Amazing Contributions**

THANK YOU!!!!

With your help, we raised over $12,000 to support students, staff and teachers as we navigate the new normal of the global pandemic. We will use your money to be responsive to teachers and staff as we all discover together how to get through this pandemic together. We will focus on requests that keep our community safe and healthy, and will help our students learn and have some fun.

Thank you for supporting HPSHS so teachers, students and staff have the opportunity to stay safe, to stay healthy, and to keep moving forward together. *and-checks are still coming in. THANK YOU!*

Two quick reminders!

1. Let us know if your company would match your gift. Last year we raised about $2,000 additional dollars through company matches. Contact PTSA Treasurer Michelle DuMond for more information: dumond39@gmail.com

2. Many clubs and teams have not been able to do the kind of fundraising this year that they normally would. We encourage you to choose a sport and/or school club and support them. It is tough out there this year!

Thank you for your generosity. Thank you for your support. Be well and stay safe out there!

Your Highland PTSA

**PSAT Testing: Attention Parents of Juniors**

Parents of Juniors, please see this link below. It was also posted on Schoology and sent to all Juniors regarding PSAT Testing. A student needs to fill out this form in the link to participate.

**Quarter 1 Grades and Report Cards**

An important reminder that this year students will not automatically receive a pass for classes. Grades earned can range from A,B,C,D and NP (no pass). It is essential students are attending all of their classes and doing the assigned work and meeting with teachers during their office hours for assistance. **The first quarter ends on November 13** and report cards are not mailed home but should be reviewed by parents and students electronically.

**From the Library**

*NEW!* Even though SPPS is dialing back its in-person services, the library at HPSH is still able to offer contactless curbside book checkout on **Thursdays from 12-3**. Encourage your kids to request a book (or two or three) and get off their screens and read! More information and instructions on how to request books below.

I miss seeing all of your kids! Here are a few resources I hope will be helpful as students are learning from home:

- **HPSH Curbside Book Checkout** (book pickup and return on Thursdays 12-3)
- **HSPH Digital Reading and Listening Resources**
- **HPSH Research Resources**

Attention Parents of Freshman

Your student received the following presentation from their counselors through science classes. The presentation covers important information that every 9th grader needs to know about Grade Point Averages (GPA), Transcripts, and Graduation Requirements. We will be hosting open Google Meet sessions for students to bring any follow-up questions. We want to be sure that parents are also aware of this information, so please click on the link to view and listen to the presentation. We have learned that the sound does not work well when viewing the presentation on SPPS student iPads. We encourage viewing the presentation on an alternate device such as a laptop, computer, or phone to hear the audio.

Student & Family Wellness

It is easy to feel like we “should” be used to our new normal seven months into the COVID-19 pandemic response, but in truth we continue to live in unprecedented times. The tips for coping in a pandemic below are pulled from an article that has been widely circulated and is worth a read or re-read. Read the article here.

Tips for Coping in a Pandemic
1. Accept that life is different right now – not giving up, and not wasting energy resisting reality
2. Expect less from yourself and replenish more. Explore the questions below now that so many support systems are not currently available.
   o Where do I get my energy?
   o What kind of down time do I need?
   o What routines do I need right now?
3. Recognize the different aspects of grief – denial, anger, bargaining, depression, and acceptance. All can be experienced at different times and out of nowhere, and it is natural to grieve the way of life that we were previously used to living.
4. Look for activities, new and old, that continue to fulfill you.
5. Focus on maintaining and strengthening important relationships.
6. Build your resilience by focusing on sleep, nutrition, exercise, meditation, self-compassion, gratitude, connection and saying no.

Tips for Helping Youth Cope in a Pandemic
Families and schools support children and teens by providing safety, soothing them in difficult times and ensuring they are seen.
Safety - Providing as much consistency as possible, helps young people feel safe. Try to just be there for your child and create the typical and predictable routines.
Soothe - Caring adults provide a calming presence to young people during difficult times. Children may benefit from seeing adults with a sense of confidence and hope.
Seen - Listen to your child and recognize when they seem uncomfortable or there is a change in behavior. Honor their unique story and emotions.

HPSH Counselors and Social Workers are here to support you and your family. For further information and resources please visit the counseling section of our school website here.

PTSA VALUES

With students and teachers at the center of everything we do, the Highland Senior High School PTSA supports excellence, enrichment and well-rounded programming that builds achievement and the community fabric of our school. We support these values in two critical ways:

- Providing resources for students, teachers and classrooms through direct funds that support classroom and program activities and supplies; and,
- Uniting the HPSH Community through support for school-wide, enrichment and interest-based activities, events, and programs.

REASONS TO JOIN THE PTSA

- It’s good for your child. Research shows that children whose parents are involved in their school make better grades and have fewer disciplinary problems.
- Discover resources to help make your child’s high school experience successful.
- You’ll be in “in the know.” Each HPSH PTSA meeting includes an update from the principal, Dr. Tucker and other staff members.
- We are flexible. Joining the PTSA doesn’t mean you have to attend every (or any) meetings. Come to meetings and other PTSA events, as your schedule allows. If you sign-up for the PTSA distribution list (HPSHptsa@gmail.com), you will receive meeting minutes and will always know what the PTSA is up to.
- Tap into the HPSH PTSA network. The PTSA is a great way to meet other parents, along with school staff, and teachers.
- It’s a chance to make a difference. By sharing your ideas, concerns, and experiences you can help foster a strong sense of community at HPSH.
- We need you. The PTSA works on behalf of all the students at HPSH. We need your support to do this important work and be successful.

The next PTSA meeting of the year is December 7 at 6:30pm and will be held virtually. The Google Meet meeting code is meet.google.com/see-fgcl-wfe If you have trouble with the link simply copy and paste it in the the Google Chrome web browse
