Student & Family Wellness

It is easy to feel like we “should” be used to our new normal seven months into the COVID-19 pandemic response, but in truth we continue to live in unprecedented times. The tips for coping in a pandemic below are pulled from an article that has been widely circulated and is worth a read or re-read. Read the article [here](#).

Tips for Coping in a Pandemic

1. Accept that life is different right now – not giving up, and not wasting energy resisting reality
2. Expect less from yourself and replenish more. Explore the questions below now that so many support systems are not currently available.
   - Where do I get my energy?
   - What kind of down time do I need?
   - What routines do I need right now?
3. Recognize the different aspects of grief – denial, anger, bargaining, depression, and acceptance. All can be experienced at different times and out of nowhere, and it is natural to grieve the way of life that we were previously used to living.
4. Look for activities, new and old, that continue to fulfill you.
5. Focus on maintaining and strengthening important relationships.
6. Build your resilience by focusing on sleep, nutrition, exercise, meditation, self-compassion, gratitude, connection and saying no.

Tips for Helping Youth Cope in a Pandemic

Families and schools support children and teens by providing safety, soothing them in difficult times and ensuring they are seen.

Safety - Providing as much consistency as possible, helps young people feel safe. Try to just be there for your child and create the typical and predictable routines.

Soothe - Caring adults provide a calming presence to young people during difficult times. Children may benefit from seeing adults with a sense of confidence and hope.

Seen - Listen to your child and recognize when they seem uncomfortable or there is a change in behavior. Honor their unique story and emotions.

**Student Attendance**

Students are to register themselves as present each day when they are engaging in learning. Students only have to do this once a day. Go to the front page of the SPPS district website at [www.spps.org](http://www.spps.org) to view the video and the necessary specifics. Please carefully review the video and steps along with your child. **If your child is going to be absent please call Highland at 651-293-8940 and leave a message on the attendance line.** If students did not mark themselves present on the day they were engaged in learning they can contact just one teacher to have the teacher mark them present, which will mark them present in all classes. Students are expected to be responsible enough in high school to enter their attendance daily. Please remind your child if necessary to have a system that prompts them to enter their attendance each day, such as using a daily calendar.

**PTSA VALUES**

With students and teachers at the center of everything we do, the Highland Senior High School PTSA supports excellence, enrichment and well-rounded programming that builds achievement and the community fabric of our school. We support these values in two critical ways:

- Providing resources for students, teachers and classrooms through direct funds that support classroom and program activities and supplies; and,
- Uniting the HPSH Community through support for school-wide, enrichment and interest-based activities, events, and programs.

**REASONS TO JOIN THE PTSA**

- It’s good for your child. Research shows that children whose parents are involved in their school make better grades and have fewer disciplinary problems.
- Discover resources to help make your child’s high school experience successful.
- You’ll be in “in the know.” Each HPSH PTSA meeting includes an update from the principal, Dr. Tucker and other staff members.
- We are flexible. Joining the PTSA doesn’t mean you have to attend every (or any) meetings. Come to meetings and other PTSA events, as your schedule allows. If you sign-up for the PTSA distribution list ([HPSHptsa@gmail.com](mailto:HPSHptsa@gmail.com)), you will receive meeting minutes and will always know what the PTSA is up to.
- Tap into the HPSH PTSA network. The PTSA is a great way to meet other parents, along with school staff, and teachers.
- It’s a chance to make a difference. By sharing your ideas, concerns, and experiences you can help foster a strong sense of community at HPSH.
- We need you. The PTSA works on behalf of all the students at HPSH. We need your support to do this important work and be successful.

The next PTSA meeting of the year is **11 at 6:30pm** and will be held virtually. The Google Meet meeting code is [meet.google.com/see-fgcj-wfe](http://meet.google.com/see-fgcj-wfe) If you have trouble with the link simply copy and paste it in the the Google Chrome web browser.
Meal Delivery

Meal boxes are available in two ways:

- **Home delivery:** A week’s worth of breakfast, lunch and milk delivered to your doorstep one day a week. Registration is required.
