From the Office: If you drop your child off in the morning or pick your child up at the end of the day, please be sure that they are dropped off no earlier than 9:15am, and picked up no later than 4:00pm. It is important that all students have adequate supervision and staff are not available before or after those times. Thank you.
An interview with Sue

This month we sat down with our new Assistant Principal Sue! Using communication devices, Boardmaker symbols, and our own voices, we asked her a few questions. It was a pleasure getting to know her a little better.

Thanks Sue!

What do you do for fun?
I like to read and I love to swim. I enjoy swimming in the lake up at my cabin in the summer.

What kind of food do you like?
Sushi!

What sports do you like?
I like to watch football. My favorite teams are the Vikings and the 49ers.

Tell us about your family.
I have 3 kids, a husband, and a dog. My daughter just got married!
What do you do to relax?
After the gym, I like to go in the sauna and then hit the hot tub.

Do you have any pets?
I have a dog. She's a Chocolate Lab named Bella. She is 7 years old but she still thinks she's a pup.

What kind of music do you like?
I like all kinds of music especially Rock and Roll. I love Andy Grammer and old school rock like Queen.

What are some of your first impressions of Bridge View?
I love to see all the smiling faces in the morning, both staff and students. I love how much fun everyone has here, and I am excited to join in on all the fun.

Thank you Sue, it's a pleasure working with you!
We have had a very busy first month of school, but we took some time to have a little fun on the farm!

We went horseback riding with the St. Croix Trail Blazers. The Trail Blazers are a unique group of riders who share not only a love of horses, but also a commitment to building friendships and overcoming challenges.

It is truly amazing to see our students connect with the horses and learn to ride.

WHAT'S UP?!?!?
with Syndi's Class

Our class is having a lot of fun this year! We went on a field trip to Belwin Nature Center. We made boats, found a fuzzy caterpillar, explored plants, made friends, and had a blast learning!

Quick and Easy Fundraiser

BOX TOPS

FOR EDUCATION

Do you ever wonder what happens to the soup labels and box tops for education you send in? The proceeds are used to fund and run our high school workroom. The workroom provides students the opportunity to learn a variety of work tasks. These skills will be helpful when they move to Focus Beyond and into post-school life. There are many jobs in our workroom that combine work skills with functional academics. For example, our students do jobs for the school district or a community business. The jobs help our students learn skills such as sorting, counting, cutting, matching, staying on-task, and working as a team, all while helping the community. The high school teachers have been busy adding assessment measures into the workroom and after reviewing data from fall, have seen an increase in student work readiness skills. Please continue to send in those box tops to help us stock up on needed items.

THANKS!!!
