Opportunities don’t just happen, you create them. **Chris Grosser**

Speaking of opportunities, we are very happy to announce that we will be hosting the Murray Middle School Career Fair on Thursday, December 12 from 9-11AM! This community engagement event is intended to bring students and families together with a wide range of post-secondary and career options. Community volunteers will be donating their time to come in and share their knowledge and experience in their career or profession. We still have room available for any community member that wishes to volunteer for this wonderful event! Please contact Ms. Andrea Dickinson if you wish to be a part of the team of volunteers. (651-744-3815).

More information will be coming out soon to families as a reminder to get this on your calendars. We look forward to seeing you all there and engaging our students with their potential future!

Another opportunity that is upon us is the beginning of 2nd quarter. Reflection, goal setting and action planning are very important skills we all need to be successful in life. It is recommended that families sit down and have a conversation with their children around what went well during 1st quarter, what were some challenges, what are goals for 2nd quarter and what are concrete steps that will be taken to achieve those goals. Being intentional about our actions is a great way to create opportunities and take advantage of them.

**Updates** – **CURRENT EVENTS** – Through our investigation, there was no evidence that our school was, or is, in danger. Regardless of the situation, we treat every threat seriously by contacting police and conducting a district investigation. We are offering classroom and building level opportunities that connect students with a trusted adult/staff member to address any ongoing questions or concerns. The district followed the discipline procedures as outlined in the Students’ Rights and Responsibilities Handbook. Please know, that due to student privacy laws, individual student discipline information is not available to be shared publicly. I thank you for all of your support as we work to navigate very challenging situations such as this.

**Staffing** –
- **8th grade Math** – Hired and started! Please join me in welcoming Ms. Opal Mattila to our 8th grade math team! Ms. Mattila comes to us highly recommended and with strong experience in teaching mathematics. We are very excited to welcome her to the team of Pilots!
- **Special Education** – Offer extended and accepted. We are working with HR to lock in a start date for a new special education teacher that we will be welcoming to our team.
- **ELA** – Interviewing candidates. Mr. Rummels is our daily guest teacher and is partnering with Ms. Stedje and Ms. Roe to support our ELA classes.
- **Health** – Awaiting candidates from HR. Mr. Craig is our daily guest teacher and is working with Ms. Bierman and Mr. Combs to support our health classes.

**Celebrations** –
Murray Volleyball – Huge congratulations to the Murray Pilot Volleyball Team for taking the St. Paul Middle School Tournament Championship at Washington Tech! We are so very proud of our students. They modeled sportsmanship, dedication and teamwork as they rose to the top. We also want to thank Coach Mr. Little, for his commitment to the team, the school and our community. He does so much for us and we are lucky to have him.

Way to go Pilots!

**Upcoming Events** –
- **Nov. 8** – End of 1st Quarter
- **Nov. 15** – NO SCHOOL for students. Professional Development day for staff
- **Nov. 22-26** – WolfRidge Leadership Retreat

---

Your Co-Pilot,

Jamin McKenzie
Sixth Grade

Science with Ms. Nix:
Students in Ms. Nix’s 6th grade physical science class investigated solubility by testing which solution an M&M dissolves the fastest in: water, diluted sugar water and concentrated sugar water.

Science with Ms. Dooley:
Life Science students are learning about cells and how they keep us alive. Next up: Cell Processes, featuring investigations into how cells maintain water balance and creating calorimeters to see which food source stores the most energy.

Magnet Science students are studying Physics and Motion. Current unit studies center around forces and Newton’s Laws. Next up: Energy.

Seventh Grade

Students in Ms. Nix’s elective class, Inquiry and Research Exploration, had visitors from the University of Minnesota graduate student group Science For All. Groups conducted experiments with polymers, making “snakes” and capsules.

A Farewell

Dear Parents,
Just wanted to say a fond farewell and huge thank you for all of your support here. I will retire on October 31st after 26 years of teaching at our dear Murray. After 36 total years of teaching and coaching, I knew it was time. I feel very blessed to have been a part of it all!!!!
*I will always be a Pilot- Jill Elliott
Hello! ¡Hola! Bonjour! My name is Megan Becker (aka Senora Becker or Madame Becker) and I teach 6th - 8th graders, as well as Spanish 1A and 1B for 7th and 8th graders. This is my first year at Murray Middle School (and my first year of teaching)! I teach “Exploratory World Languages” for 6th graders, as well as Spanish 1A and 1B for 7th and 8th graders. I am excited to be working with all of the great students, families, and staff here at Murray!

I am originally from Blaine, MN, but Saint Paul has been my home more or less for the past eleven years, and I love it here! I also have seven years of experience working for Saint Paul Public Schools already, as an after-school activities site coordinator and instructor for Community Education!

I am a proud graduate of Normandale Community College in Bloomington, MN, where I earned my Associate of Arts degree with emphases in French and Spanish, as well as a Certificate in Spanish, in 2015. I then graduated in May 2018 with my Bachelor of Arts in French and Spanish Studies from the University of Minnesota-Twin Cities.

After a full school year of graduate coursework and student teaching in four very different schools and language learning programs last year, I received my K-12 licenses to teach French and Spanish in May 2019. But even I am still learning, and I plan to earn my Master of Education degree next summer 2020.

Outside of school, I enjoy relaxing at home with my husband (a fellow SPPS teacher) and our two adorable cat-children, and traveling whenever we can! I am also a fanatic about playing ice hockey—something I have done since I was a kid—and I play with an awesome team in a local women’s league every October through March! Food is another important part of my life and identity, as I was passionately vegetarian for ten years and now vegan for nearly two years running, and because I also live with celiac disease and must eat gluten-free.

Thank you for welcoming me into the Murray community! I’m looking forward to a great year here! Go Pilots!

Murray Middle School (located at 2200 Buford Ave, St. Paul, in St. Anthony Park) offers a comprehensive tutoring/study skills support program called the Murray Pilot One-on-One Tutoring Program. This program (now in its 13th year) is offered during the school day as an elective class Monday through Friday during the last three class periods of the day from 12:29-1:17, 1:21-2:08 and 2:12-3:00 pm. Volunteers pick a day/time that works best with their schedules!

The 7th and 8th grade children involved in the program are students who benefit from obtaining daily support from a tutor/mentor. Tutors work with students on developing solid study skills and they work on core subjects including: English, Science, Math and Social Studies. The goal is to have 75 tutors each week.

People enjoy working at Murray because it is an urban middle school with a diverse population and they have an opportunity to work with the same student each day. This lends itself to developing positive relationships with the Murray students. Cindy Thrasher is present in the classroom during the entire time so that both the Murray student and the tutor have a support system in place at the school.

We ask that all tutor volunteers participate in a 90-minute training/orientation session which allows time for us to further describe how the program works at Murray.

Please contact Cindy Thrasher, coordinator, to sign up for a training session or for more information at 651.293.8740 or cindy.thrasher@spps.org

Thank you!

Hello! ¡Hola! 안녕하세요!

My name is Shana Lee and I am one of the ELL teachers here at Murray Middle School. I’m so excited to be here at Murray for the full year. I started as a co-pilot here in January of last year, student teaching with Ms. Cohen and then I transitioned into a long-term sub position for the ELL department to finish out the ’18-’19 school year.

This is my first full time teaching job as a licensed teacher here in MN, but not my first job in education. Prior to Murray I worked as a paraprofessional at Hmong College Prep Academy and before that I taught English at a private K-12 school in Xela, Guatemala.

I received my bachelor’s degree in cultural anthropology from Smith College and completed my teaching licensure program here in the Twin Cities at Hamline University. Outside of school I keep busy with finishing my coursework for a MA-TESOL through Hamline, and am a mother to a 2 year old toddler, Katherine. You will often find us at the playground at Langford or College Park, so feel free to say hello if you see us out and about!
Barnes and Noble!

Save the Date!

Murray Middle School presents the Barnes and Noble Bookfair.

Thursday, December 5, 2019
6:00pm

Barnes & Noble – Har Mar Mall
2100 Snelling Avenue
Roseville

The night will include performances from students and the opportunity to donate books directly to teachers.

flipsidé
the opposite of boredom.
Afterschool activities for middle school youth.

Flipside afterschool classes have started! Class schedules and bussing information are posted in the cafeteria. Students can still register to participate in Flipside! If you have questions please contact:

Library News!

The month of November highlight is Science Fiction. See the sheet in the library group or get one from your Foundations teacher to participate in the Read-a-Thon for November. Try to read at least one or two Sci-Fi novels over this month and then turn in the sheet to a teacher or Ms. Decourt to be eligible for a prize. There will be a dress up day on November 21st – any Sci-Fi costume or character you can think of (no hats or hoodies). Have Fun! Happy Sci-Fi November!

Murray Wear!

Murray wear is now available.

Instructions for ordering:
http://athleticoutfittersmn.com/web-stores/

Click on Murray logo

Enter password: murrayholiday19

Click on the item you would like

If you would like to see measurements for sizing purposes, click on "Size Chart" at the bottom of the description.

Select size and color (adult and youth available)

When you add an item to the cart it will ask you to enter your teacher name and grade

Also please enter if this item is a gift Yes or No. If gift please note the following when selecting shipping method in checkout. 1) Group Delivery – you pick up at office, 2) Individual In-Store Pickup at Athletic Outfitters (Shoreview), 3) Ship to Home (additional fee at checkout)

Enter Payment and Shipping information

Note: Shipping information options.
• Group Delivery – All Group Delivery items are sent to school and distributed by staff for students to bring home.
• Store Pickup – Those that live near Athletic Outfitters can select this option. Once the order is complete that individual will be called or emailed to pick it up in store at their convenience.
• Ship to Home – For an additional fee of $10 we can ship directly to your home.

Orders received from 10/28-11/24, expect to receive week of 12/15.

Science Fair

An invitation to be a judge at the 2020 Murray Middle School Science Fair!

Project Judging – January 14, 2020
(5:40pm – 9:00pm)

We provide guidelines and training on being a judge from 5:40 to 5:55. We have a general welcome and judges pick the evaluations they want to do at 6:00. Since the event runs through the dinner hour, a light meal will be provided.

The judge reviews and discusses the displayed project with the student. Each project has 3 judges who independently view the project and evaluate it. You will evaluate approximately 10 projects.

If you can help us, please mark your calendar and reply by email to stefanie.folkema@spps.org or call 651-744-3922.

Yearbooks

Yearbooks cost $17.00. You can personalize your yearbook up until 12/31/2019. Students can pick up an order form from the office or see Ms. Pittman. The easiest way to buy a yearbook is to purchase it online at https://yearbookforever.com
Quick Information

November 15, 2019

Teenventure is a college and career exploration program designed for middle school age youth (5th-8th graders). Quality supervision is provided by four full-time staff and 6-7 college aged mentors who will inspire academic achievement. At each career site, our youth meet with a variety of employees who share their education, training, and career experience with an opportunity for youth to ask questions.

- Program begins at 9:00am
- Program ends at 4:30pm
- Location: Rice Street Recreation
  1041 Marion Street
  Saint Paul, MN 55117
- Lunch provided free of cost
- Transportation is provided. Students may choose from 4 school bus locations to be dropped off and picked up at
- Cost: Free
- Contact Cee Xiong at 651-744-1997 with questions

Field Trip Activities

Career Destinations:

Northern Clay Center
Get a tour of the clay center’s sales gallery, classrooms, glazing areas, studio spaces, and kiln room. See and understand the process of creating and firing a pot with an artist demonstration.

2424 E Franklin Ave, Minneapolis, MN 55406

Como Zoo
Come see what and how the zookeepers keep things alive at the zoo with their Keepers of the Garden and Zoo program. Learn about live plants and/or animals.

1225 Estabrook Dr, St. Paul, MN 55103

Afternoon Activity:

Bowlero Brooklyn Park
Strike! Can you join forces with your friends and get the highest bowling score? Get 2 hours of bowling and 1 hour of unlimited arcade games.

7545 Brooklyn Blvd, Brooklyn Park, MN 55443

Connect with us @sppsteenventure
Important Fieldtrip Information:

Office phone: 651-744-1997
Trip Day cell phone: 651-447-9980 (only answered on 11/15/2019)
Coordinator E-mail: ceechiah xiong@spps.org

- Field trip choices are subject to change
- Read confirmation letter sent home with youth for final field trip choice and bus stop
- Please arrive 5 minutes before scheduled bus pick-up time
- In the case of cancellation, please call the number below 24 hours in advance
- Please dress for the weather

Children's Dental Services

Children's Dental Services (CDS) provides dental care at school, which may include exams, x-rays, cleanings, fluoride treatment, sealants, silver diamine fluoride (SDF), fillings, crowns, extractions and other treatments as needed during regular school hours. If you would like your child to receive dental care or if you are able to fill out this form as an adult (18 years or older), please fill out this form and return it to school. Please note: Annual permission is required. CDS may need to call with questions prior to treatment; please be sure to provide a number to reach you during the school day.

If you DO NOT want your child to be seen, please DO NOT fill out this form.

Step 1: Patient Information

<table>
<thead>
<tr>
<th>Patient Name (print)</th>
<th>Birth Date</th>
<th>□ Male □ Female</th>
</tr>
</thead>
<tbody>
<tr>
<td>Parents’ Names (print)</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Address</td>
<td>Zip Code:</td>
<td></td>
</tr>
<tr>
<td>Phone ( )</td>
<td>2nd Phone ( )</td>
<td>Race/Ethnicity</td>
</tr>
<tr>
<td>Child’s School</td>
<td>Grade</td>
<td>Teacher</td>
</tr>
</tbody>
</table>

Step 2: Dental Information

IS THE PATIENT HAVING ANY DENTAL-RELATED PAIN OR CONCERNS? □ Yes □ No
If yes, please explain: ________________________________

HAS THE PATIENT SEEN THE DENTIST IN THE LAST 6 MONTHS? □ Yes □ No
IF YES: Approximate date of last dental visit: __________ Name of Clinic __________

Step 3: Insurance Information

CDS offers reduced cost to families who are income eligible.
If your child has no dental insurance, please call CDS at 612-744-1530 and ask about our sliding scale program.
A. Does the patient have insurance through the state? □ Yes □ No If yes, what is the member ID number (FMID)?
B. Does the patient have private insurance through a parent's employer? □ Yes □ No If yes, fill in information below:
Name of Dental Insurance         Name of Employer
Policyholder's Name/Name of Employee Date of Birth
Dental Plan Identification Number or Social Security #

Step 4: Medical History

1. Indicate YES to all that applies to the patient, and indicate NO to all that DOES NOT apply to the patient.

   PLEASE MARK EVERY BOX.

   ADHD/ADD   □ Yes □ No Cold sores or fever blisters □ Yes □ No Hemophilia  □ Yes □ No
   AIDS/HIV   □ Yes □ No Congenital heart disease □ Yes □ No Hepatitis/liver disease  □ Yes □ No
   Anemia     □ Yes □ No Dental anxiety     □ Yes □ No High blood pressure □ Yes □ No
   Artificial heart valve □ Yes □ No Depression/psychiatric □ Yes □ No Kidney disease □ Yes □ No
   Artificial joint □ Yes □ No Developmental disability □ Yes □ No Radiation/chemotherapy □ Yes □ No
   Asthma     □ Yes □ No Diabetes          □ Yes □ No Rheumatic fever □ Yes □ No
   Autism spectrum □ Yes □ No Drug addiction □ Yes □ No Thyroid disease □ Yes □ No
   Blood transfusion □ Yes □ No Epilepsy or seizures □ Yes □ No Tuberculosis (TB) □ Yes □ No
   Chemical dependency □ Yes □ No Heart murmur □ Yes □ No

Please explain any boxes marked yes: ________________________________

CONTINUE TO NEXT PAGE
Step 5: Review Authorization Information

Children's Dental Services Authorization for Dental Exam and Treatment: I give permission for CDS to provide a dental exam, preventive services, and required restorative care (dental treatment). Specifically I consent to routine dental treatments being performed on my child, including examinations, x-rays, cleanings, fluoride, and plastic restorations. For the treatment of minor cavities, I consent to the use of silver-diamine fluoride (SDF). I am aware that SDF will not stop the decay, and that the tooth may still require a filling. I understand that CDS staff may be in contact with me to obtain additional informed consent to provide restorative procedures such as fillings, crowns, extractions and other treatments if needed. I understand that with any procedure there are associated risks, but that these risks are often outweighed by the benefits of such treatment. Risks of not having treatment done include the following:

1. Toothache, tooth infection, or dental abscess that may cause pain, fever, swelling, and/or spread of infection to other parts of the body that can lead to potentially life-threatening complications.
2. Difficulty chewing and/or maintaining good nutrition.
3. Gum inflammation.
4. Development of a cyst in gum tissue.
5. Facial swelling.
6. Tooth sensitivity to hot or cold.
7. Ongoing pain, bad breath, unpleasant taste in mouth and difficulty opening mouth.
8. Loss of teeth.

I also understand that while rare, there are certain inherent and potential risks in any treatment plan or procedure, and that such operative risks include but are not limited to the following:

1. Occasional bleeding of the gums that can last up to 12 hours.
2. Swelling of the face or pain or jaw stiffness that can last for several days.
3. Injury to adjacent teeth, gums, or fillings.
4. Fracture of the jaw and necessity to surgically treat the fracture.
5. Injury to the nerve underlying the lower teeth, resulting in numbness, tingling, pain, or other sensory disturbances to the lip, cheek, chin, gums, teeth, and tongue.
6. Unexpected reaction to the anesthetic.
7. Infection in the tooth socket that can be painful, tender, and swollen if a permanent tooth is extracted.
8. Blistering lip fromimbus.

Step 6: Sign and Date Consent Form

I give permission for CDS to bill my insurance for any services provided to the individual listed for care and I understand that I am responsible for any amount not covered by the insurance. I give permission for CDS to share the patient’s oral health information with the school and the school permission to share information necessary for the provision of care to the patient, to provide the most comprehensive care possible. I also give permission for the school to share student information with CDS (including class schedules and data). This consent form is valid for one year from the date signed unless revoked in writing to CDS. If I have any further questions about the risks and benefits of treatment or alternate treatment options I have contacted a provider at CDS to ask such questions and they have been answered adequately. I have had adequate time to make the decision to give consent freely. The medical history provided is accurate to the best of my knowledge. If my medical history changes I will inform CDS.

Parent/Guardian (or patient's 18 years of age or older) Signature Date

**Please note: If you or your child is seen by one of CDS' hygienists this does not take the place of an exam; we recommend a full examination with the dentist within 6 months if he/she has not already done so.
