Welcome Back

to the 2013-14 school year, the 148th year that Central has produced top-notch students who have impacted the world, their country, their state, and their local community.

We expect that all who enter Central will focus on their academic goals and gain the necessary skills to be successful in life. We, as a staff, will provide a rigorous educational environment that will foster inquiry and excitement for learning.

HAVE A GREAT SCHOOL YEAR. Focus on your goals and learn about all the cultures here on the Central campus.

Mary Mackbee, Principal

Freshmen and returning students

Welcome to our 2013-14 school year at Central. The executive and management board of Student Council (a.k.a. M-Team) wants you to know how pumped we are for the life-changing months to come. We have so many new and great ideas we want to share and experience with you this coming year.

9th Graders – we welcome you to our family and are very excited to witness your growth throughout this year and become your own person.

Abigail Larson-Barker
M-Team President
