February 1, 2020

Sneak Peek at our Learning this Month~

In math we will continue our exploration of fractions and move into the concept of decimals. We will be adding/subtracting fractions with like denominators and renaming them as decimals.

In reading, we will be wrapping up our author study of the writer/illustrator Chris Van Allsburg.

Writing in social studies will be combined as we do shared research of our North American continent.

In skills we will be taking our mid-year assessment and make adjustments for their individualized learning targets.

Gatherings~

7th- (upper campus at 10:20) After school musical

14th- 2nd grade chorus concert

21st- 10:20 at lower campus MN Wild Faceoff for Fitness!

29th- 3:20 Black History Month Performance

Field Trip~

20th- Ted Mann theatre at the U of M campus to enjoy a SPCO performance.

What a spectacular 4th grade opera! They really showed their creative side with all of the fabulous songs, scenes, and stage designs. Of course, it takes a village to pull it all off in 18 days and we could not do it without the wonderful parent volunteers supporting this effort. Thank you so much!

Now that our opera is in the record books it is time to focus again on our curriculum. Our schedule will also be back to our regular times for recess (1:05-1:25) and lunch (1:30-2:00).

Looking forward to a great month.
