Upcoming Important dates:

Winter Break 12/23 - 1/5

Opera - Jan - TBD

Greetings Global Arts Plus Families!

Can you believe conferences is almost upon us? We will have arena style conferences again this year. Please put these dates on your calendars – Thursday, November 7th, Tuesday, November 12th and Friday, November 15th. The two evening conferences will be from 4:45 – 7:30 and the day conference will be from 9 – 3. I hope to see you at one of these conference dates so I can tell you what your child has been up to. Conferences will be held in the Gymnasium with all classroom teachers, specialist teachers, ELL and SPED teachers.

On November 8th, we will have an Art Crawl instead of a Gathering. Please come join our school as we walk around the building to see the art work created by students.

We will go outside unless it is raining or below zero. Please help remind your child to dress appropriately for the weather.

Mrs. Jasiczek

Reading: We are working on Pro/Con articles in reading. We are agreeing or disagreeing with the point of view of the author and citing evidence from the article to support our thinking. We are also working on book groups and having book discussions.

Math: We finished our Quarter 1 Assessments. We will continue practicing subtraction with trading, multi-step word problems and multi-digit multiplication. In class we are working on division and will be moving into Lines, Angles, and Triangles.

Remind that Fact Triangles are came home, please work with your child on memorizing these facts.

Writing: We are so excited in writing. We have started Coding. We will learn how to code and then do research to design an App. This will take us to Winter Break. Students are encouraged to continue coding at home if they are able to. In December, students will get to pitch their App.
