Friday, Jan. 24th – No School – Teacher Professional Development day

Thursday, Jan. 30th – Opera performance @ 6:30

Friday, Jan. 31st – Opera Gathering performance

Happy Winter!

Thank you to all the families who made it out for conferences. It was great meeting all of you. It was great so share all the things your child has been working on.

Opera starts right when we get from break in January. We have been preparing for Opera by talking about Story Elements in Reading. Please watch for notes for volunteers and our performance date.

Just a reminder that the weather is cold. St. Paul Public Schools new recess policy is that as long as the wind chill (feels like temperature) is above - 10 we can go outside. Please help remind your child to dress for going outside.

Again if you have questions or comments, please feel free to email or call me.

Mrs. Jasiczek

Reading: We will continue working on Story Elements really focusing on Theme, Character and Setting. This will help us get ready for deciding what Theme, Characters and Settings we will have for the Opera. Students are also working on books clubs and small guided reading groups.

Math: We have been working hard on long division, triangles and lines and Data and Probability. We will be taking our Quarter 2 Assessment later this month. Continue working on memorizing multiplication facts.

Writing: We are finishing up our Coding unit. We will continue coding by creating an App. Students will research and design a prototype of their App onto Keynote and then present their App to the class.

Social Studies: We are working on Maps. We have learned about different maps and will be creating maps of either Canada or Mexico.
