### Parent-Teacher Conferences

Once again, it's conference time at Dayton's Bluff Achievement Plus Elementary!

Here's some things you should know about Spring conferences:

- Conferences will take place on March 24<sup>th</sup> and 25<sup>th</sup>
- Your conference is scheduled on the same day/time as your fall conference (confirmation slips coming home soon)
- You must select a conference option of either **in-person or virtual**
- The **bottom portion of the "Conference Confirmation" slip must be returned** to the school office
- For in-person conferences, we are asking that there are only two adults per student
- Masks are required for in-person conferences
- Virtual conferences will be scheduled on Google Meet using the code DB(then last name of the teacher)

Do you know the date and time of your conference? Can't make your scheduled conference time? Please contact your teacher or the school office at 651-293-8915.

### *Be Involved! Learn more about your child's education!*

Would you like to get more involved at Dayton's Bluff? Do you have questions about academics? Is there something you would like to know more about?

Even though we are still observing some restrictions due to the pandemic, we want you to know there are still many ways to be involved in your child's education, such as:

- Virtual involvement is possible – for example, record a story or message for your student or their classroom, etc.
- Check in with your student's teacher by emailing or calling
- Learn more about our academic programs
- Let us answer specific questions about your student's academics or school day
- Be part of school-wide activities and events
