

2022-2023 Family Engagement Plan

We believe middle school can be the most exciting part of a child’s education. At Battle Creek Middle, teachers not only teach students, but partner with them and their families to provide encouragement and inspiration.

The Family Engagement Plan (FEP) is organized into four impact areas. We will be working together this year to build positive and goal-oriented relationships in each area. Families and staff at school developed this plan together.
