

# Riverview News

In partnership with families, students and community, our vision is to be an academically excellent, caring and culturally-rich urban school.

## Cold Weather

All students go outside to recess every day unless the weather is below zero. Please make sure your student has a winter coat, snow pants, snow boots, hat and gloves. Students can wear sweaters or other layers to keep warm in school but they must be blue, light blue or white. We recommend that you label all items.

## Free Dual Language and Immersion Family Education Workshops

Applications have been sent home or you can pick one up at the front desk.

## PRINCIPAL'S CORNER

I hope that you had a restful Winter Break. We are back in full swing and teachers have been re-teaching school expectations with all students. The SOAR Bingo card went home last week. Review the expectations on the back of the card and sign in order for your child to be entered into a drawing for a Popcorn Party with me!

January is a good time for you to also check in with your child at home and reset some routines. You and your child can create goals for the remainder of the school year that you can support at home. Also feel free to reach out to your child's teacher now to find ways to support your child at home. Teachers will complete mid-year reading assessments and will have updated information at the end of January about your child's reading.
