

Class of 2021: Students Registering for 12th Grade

Students should use this worksheet for planning purposes **ONLY**. Students will enter their final requests in Student Portal/Campus during an **extended advisory on February 26th**. **You must discuss your course selections with your parents/guardians and current teachers.**

Go to bit.ly/registeratharding to find the course guide and all other registration materials

Language Arts - For semester-long classes, students will enter only the 1st course number. For year-long classes, students will enter both course numbers.

English 12 (L402701 & L402703) - May be taken either year-long or sem-long w/CIS Writing Studio

CIS Writing Studio (L491171) - *Semester-long; must be taken with a semester of English 12*

Year 1 IB DP courses (for students taking a class for the first time)

IB DP Eng A: Lit & Performance SL (L471111 & L471113)

IB DP Eng A: Lang & Lit SL/HL (L471101 & L471103)

Year 2 IB DP courses (for students currently taking Year 1)

IB DP Eng A: Lit & Performance SL 12 (L473111 & L473113)

IB DP Eng A: Lang & Lit SL/HL - Year 2 (L473101 & L473103)

IB DP English A: Lit 12 HL (L473241 & L473243)

My English teacher suggests I take: _____

Social Studies

Economics (H406111) & US Government (H401401) - each class is semester-long

IB DP SL/HL History 20th Cent (H475411 & H475413) - *counts as US Govt. and Econ for graduation. Pre-req: Students must be currently taking IB History of Americas*

IB DP Economics SL (H476141 & H476143) - *counts as Economics for graduation*

My social studies teacher suggests I take: _____

Science - Find course numbers and course length on elective sheet

IMPORTANT

1. Students are **strongly encouraged to take a 4th year of science**. See elective sheet for full list of science course offerings for 12th graders. Many colleges/universities require 4 years of science for admission.
2. If science requirements have not been met by the end of your junior year, you must select a science class for senior year.
3. For current SL science students, the expectation is that you will register for the HL course next year.

My current science teacher suggests I take: _____

Math - determined with your current math teacher and automatically entered in Campus. Seniors are strongly encouraged to take a 4th year of math. Many colleges/universities require 4 years of math for admission.

Graduation Requirements

Language Arts
