Wipe Out Your Bags! Game

- 1) Divide your advisory into **2 teams**.
- 2) Tell all the students to **take out TWO sheets of loose leaf paper** from 1st QTR that are no longer needed from their backpacks OR any recycled paper from the recycling bin if there is not enough... OR grab notebook paper.
- 3) Have the students **crumple their two sheets of their paper into two balls**.
- 4) Put the 2 Teams into two single file lines facing each other with the recycling bin (or waste paper basket) in the middle. The bin should be about **12 steps from both teams**. Use two chairs to mark the shooting lines. Chairs should be facing the recycling bin with students shooting over the back of the chair.
- 5) Students should stand in single file behind the chair. Object of the game is to shoot two shots into the basket. One by one, students shoot their two balls. If a student makes 1 or both shots, they move to the next round. If they miss both shots, they are eliminated.
- 6) Round 1 ends after every student has shot two crumpled balls of paper. Any student who makes at least one basket moves on to Round 2. Repeat until there is an advisory champion.
- 7) Advisory leaders should give the name of their champion to senior leaders. Names will be put into a drawing for prizes.
