

Baker Park Reserve Trip Schedule and Information September 29-30, 2015

All 7th graders are invited to our fall overnight September 29-30. Please try to make sure your student is available for this fun and important trip.

The objective of our trip is to begin the school year with an experience that will build lasting friendships and provide the foundation for future collaborative fieldwork. Baker Park is a beautiful location that provides the perfect backdrop for our activities.

This will be an action-packed 2 days of canoeing, archery, cooperative games, rock climbing and more! Whether your student has participated in these activities in the past or not, there will be training and support for every activity we do and we'll all learn together.

COST: The total cost of the trip will be: **\$60**. This will include transportation, meals, lodging and the classes offered by the Baker staff. Checks can be made out to: OWL. **Payment due by September 22 to the office.**

LOCATION: Baker Park Near-Wilderness Settlement in Maple Plain, MN, approximately 45 minutes west of St. Paul. The students and staff will stay in simple cabins with bunk beds. The cabins do not have electricity. There is a central lodge/program building where OWL students and staff will eat their meals. Bathrooms are located in the lodge.

Emergency Numbers:

Baker Near Wilderness Settlement: 763-694-7856

OWL Staff Dave Gundale: 651-262-8935

Buses will depart for the trip at 8:30 a.m. from Open World Learning Community on Tuesday, September 29. Students are expected to be at school at the normal start time, 7:30 a.m. Students should bring their gear for the trip on the school bus with them. We will return by the end of the day September 30 and students will take the school bus home.
