

2019-2020 Family Engagement Plan

Farnsworth Aerospace’s mission and vision is to provide each student with life-long learning skills to become productive citizens. Together with community and families we will prepare each child for social and academic success in the 21st Century by cultivating curiosity, critical thinking and collaboration in literacy and STEAM (Science, Technology, Engineering, Aerospace, Math).

The Family Engagement Plan (FEP) is organized into four impact areas. We will be working together this year to build positive and goal-oriented relationships in each area. Families and staff at school developed this plan together.

Welcoming Environment	
<p>Our school has staff member(s) available for families to discuss this plan and ask questions</p>	<ul style="list-style-type: none"> • Family Liaison: John Bjoraker, Principal
<p>Our school communicates with families in many ways.</p>	<ul style="list-style-type: none"> • Monthly newsletter from classroom teacher • Monthly school letter • Emails • Phone calls • Automated calls • School website <p>*(Communication will be translated when possible)</p> <p>Communication</p> <ul style="list-style-type: none"> • Farnsworth Aerospace will respond to families when they call, email or send a note within 24 hours.
<p>The achievement gap, or rather the “opportunity gap,” between students of color and white students in Saint Paul Public Schools is unacceptable. Our school is working to change practices and systems by identifying the barriers that make it harder for students of color to succeed and for their families to support their learning.</p>	<ul style="list-style-type: none"> • For more about our work on racial equity, contact: John Bjoraker (PreK-4 Principal) • We recognize that there is an achievement gap and have begun the process of identifying specific barriers that may be contributing to this gap. We have been looking at data from a variety of assessments and asking the specific questions as to why our students of color are not making the same kind of academic progress as our non-students of color. At the PreK-4 campus, we are looking through an equity lens in regards to what we can offer as a school in providing new and innovative ways on how we can best meet the needs of all our students. We will be working to infuse culturally responsive teaching practices while examining the realness, relevance and rigor of our teaching along with the relationships that we instill with our students and families.

	<p>We will also be using the personalized framework to engage students in learning.</p> <ul style="list-style-type: none"> • We are addressing the “opportunity gap” through our work with partnering with outside resources. We will work with our parent groups to determine ways to support our students. i.e. Sheridan Story and other outside partners.
<p>Transitions between schools can be challenging, and we work to help families as their children start and leave our school.</p>	<p>For new students and families, we support the transition by:</p> <ul style="list-style-type: none"> • PreK Registration and before school conferences • Kindergarten Registration, New Student Orientation and before school conferences • Fall Open House • Provide information and notification of district workshops • Provide digital resources for families to support with the transition • Knowledge of our school on our website <p>Elementary Schools:</p> <ul style="list-style-type: none"> • Parent education from the Office of Early Learning will build relationships with Head Start <p>For students and families moving to the next school in their pathway, we support the transition by:</p> <ul style="list-style-type: none"> • PreK families Take Your Parent to School Day visit kindergarten classrooms • Kindergarten Take Your Parent to School Day-visit 1st grade • Step-Up-Day: 4th graders go to the 5-8 campus and get to experience being a 5th grader • Parents are able to set up school tours and learn about all the exciting programs and activities that Farnsworth Aerospace has to offer.

<p style="text-align: center;">Family Partnerships</p>	
<p>Our school-parent compact establishes the shared responsibility for student success between the school, families, and students. Families and teachers work together to develop the compact.</p>	<p>Copies of the compact are available:</p> <ul style="list-style-type: none"> • Farnsworth School Website • Open House Night • Title 1 Family Night • Fall Conferences • Main Office of Farnsworth Aerospace PreK-4 Campus <ul style="list-style-type: none"> • The compact will be updated: May 2020
<p>There are many opportunities for families to build connections to the school and to each other.</p>	<p>Title I Annual Meeting where we will share information about school programs will be in the Fall of 2019- September 12, 2019</p> <ul style="list-style-type: none"> • Farnsworth School Organization (FSO) meetings • Hmong Parent Group Meetings

	<ul style="list-style-type: none"> • Aerospace Family Events • Science and Engineering Showcase Night • National African American Parent Involvement Day (NAAPID) will be on February, 2020
<p>We work to make these meetings and events available for every family in the school.</p>	<ul style="list-style-type: none"> • When sending out information, we create flyers in different languages if possible and use automated calls • During conferences, we offer night and day meetings • We offer childcare and transportation for family events when requested and as needed • During family events, we have staff available to translate in multiple languages • Meeting notes are posted on the website <p>Automated calls</p>
<p>Our school supports families as advocates and provides opportunities for parent leadership</p>	<ul style="list-style-type: none"> • The process for parents to voice their concerns about their child’s learning is to first get in contact with their child’s teacher. If there are further concerns, then the parents should contact the principal. • Staff will receive professional development around the interpretation of ACCESS scores for ELL students and use this information to best meet the needs of individual students. This information will be shared with parents at conferences as teachers share specific strategies they will use to help each ELL student develop their English language acquisition. • Staff will continue to evaluate homework options that are expected to have a high learning impact. • Families can get involved in planning for school improvement and family engagement by attending FSO meetings, Hmong Parent Group meetings and completing surveys and participating on school committees. • Parents can locate and join school committees through the main office. • Parents are involved in creating and updating the Family Compact and Family Engagement Plan each year. • Interpreters and translation will be provided as needed.

Teaching and Learning

<p>Our school shares information about state standards, assessment and student achievement with families in multiple ways</p>	<ul style="list-style-type: none"> • Report cards and progress reports will be distributed at fall and spring parent-teacher conferences • Parent-Teacher conferences are held in November 2019 and March 2020. • Students not reading at grade level have some of the following supports: reading interventions using LLI, small group focused instruction, skills block with explicit phonics instruction • Families can support reading at home through the use of take-home books (book bags), reading apps and oral language development (talking and telling stories to their children), reading with their child and talking about books they have read • Parent Academy/Parent Seminars
<p>Our school will engage in personalized learning as a key strategy to accelerate student achievement. Parents can get more information using many tools.</p>	<ul style="list-style-type: none"> • Parent Portal log-in information can be accessed at spps.org/onestop or by contacting: Sue Kruse, school clerk • iPads are available for families to check-out on a weekly basis <p>Classroom teachers share Personalized Learning strategies through classroom newsletters and the use of apps that engage families in student work and practice (i.e. SeeSaw, Schoology, IXL)</p>
<p>Many before- and after-school enrichment and support opportunities are available for students</p>	<ul style="list-style-type: none"> • Morning School (before school program) five days a week • EDL (after school program) two days a week

Community Partnerships

<p>Our school develops community partnerships to provide additional support for students and their families</p>	<ul style="list-style-type: none"> • First Covenant Church (East Side Thrive, etc.), Gustavus Adolphus Lutheran Church, The Sheridan Story, Sunrise Bank, Johnson High School, TKDA, 3M, St. Thomas University, AIAA (American Institute of Aeronautics and Astronautics, Inc., Bethel University
---	--

This plan is available as part of our school’s SCIP, or School Comprehensive Improvement Plan at spps.org/scip, is on our school website at Farnsworth.spps.org, and printed copies are available in the office.
