## From the Principal's Desk

Thank you to all of you who were able to make it to our family BBQ last week. It was great to see so many families and staff together to kick off the beginning of the school year!

As we move into the school year, family engagement is critical to student success. Family engagement takes all sorts of forms and shapes. One form is to visit classrooms during the day. **If you are visiting, please make sure to stop in the office to check in and get a visitor's badge.** When you do visit, please know that the teacher will continue with their instruction so please try to not disrupt the class but feel free to stop in and observe.

On the back side you will find the mandated letter for families highlighting our federal school designation based on MCA test scores. Do not hesitate to ask any questions as to what our designation as a Priority School means for us.

Thank you for your continued support and advocacy for your child's education.

-Mr. Vernosh
