

## Home Goals:

- **Encourage** my child's effort and perseverance
- **Help** my child to get at least 7 hours of sleep per night
- **Support** my child in learning math facts
- **Practice** shared reading at home and support my child in reading independently each night
- **Practice** reading using the App RazKids
- **Honor Our stories:** Share family stories with my child in my first language
- **Communicate** with my child's teacher regularly
- **Support** my child in exploring his or her interests and talents
- **Support** my child with the schools Positive Behavior Intervention Support

## Student Goals:

- **Take responsibility** for my learning.
- **Put effort** into my schoolwork
- **Practice** basic math facts every day for 5-7 minutes
- **Read** at home for 30 minutes every day.
- **Be** Respectful, Responsible, Safe, and A Learner
- **I will share** what color on the PBIS clip chart I ended my school day everyday

## School Goals:

Students receive exceptional instruction and are engaged in learning every day in every class.

Phalen Lake will:

- **Provide** a safe and welcoming environment for students and their families
- **Reinforce** that student effort matters and has a direct impact on learning
- **Help** children understand and give strategies for learning math concepts and math facts
- **Utilize** manipulatives during math instruction both whole group and flex groups
- **Personalize** learning through intentional small group literacy and math instruction and independent learning using apps to enhance learning
- **Assess** students regularly and communicate student progress to families
- **Provide** students with reading materials and support students in reaching reading goals
- **Provide** the opportunity for Two-way Immersion Hmong/English Program

The above bullets are differentiated to meet student needs at each grade level

## Saint Paul Public Schools Goals:

More information at [spps.org/strong\\_schools](http://spps.org/strong_schools)

### **Achievement and Equity**

All students are proficient and making continuous growth in each of these academic measures and graduate ready for college and career:

- Pre-Kindergarteners on target in reading
- Third graders at grade level in reading and math
- Fifth graders at grade level in reading, math and science

Decrease gaps and disproportionality between student groups in:

- Identification for gifted services
- Referral for Special Education
- Grade level reading and math proficiency
- Absences
- Suspensions

### School SCIP Goals

More information at [scip.spps.org](http://scip.spps.org)

**Reading:** The percent of students scoring proficient or higher in reading will increase from 34% to 40 % by Spring 2018 as measured by the MCA.

**Math:** The percent of students scoring proficient or higher in math will increase from 45% to 50% by Spring 2018 as measured by the MCA.

## What is the Home/School Partnership Agreement?

The Home/School Partnership Agreement was developed by parents and staff of Phalen Lake Hmong Studies Magnet. Parents participated through Parent Academy, parent groups, and surveys. This is a working document. We welcome your suggestion and comments. Call the Family Room for more information.
