## KINDER PLAYDATE

Thank you to everyone who came to the Kinder Playdate and the Principal Meet and Greet in August. It was great seeing new faces and reconnecting with friends.

## DIGITAL CITIZENSHIP

### The month of September is Digital Citizenship Month in Saint Paul Public Schools!

Saint Paul is partnering with Common Sense Media to help students and staff focus on best practices of using online resources, digital materials, and devices as good digital citizens. Digital citizenship focuses on safe, respectful, and responsible use of online resources and digital materials.

### Digital Footprints Last Forever: Be Responsible, Be Respectful, Be Safe

Digital citizenship is an overarching concept that includes appropriate and responsible use of technology by staff and students. As members of 1:1 iPad learning environment, we all contribute to the security and data privacy of our community.

In compliance with the federal Children's Internet Protection Act (CIPA), Saint Paul Public Schools provides students with lessons on digital citizenship, online safety and privacy, and appropriate online behavior. The district also encourages teachers to revisit digital citizenship topics frequently with students during the school year.

## GOOD NEWS CALL OF THE DAY

A big congratulation to our first Good News Call of the Day.

Every Friday teachers share names of students that have shown something positive during the week. And every week we randomly select one per grade. We call their parents and celebrate via phone the great things their students are doing.

This week we have Amia in first grade, Faviola in second grade, Kavell in third grade, Shyla in fourth grade and Dominique in fifth grade.

Congratulations to our positive models this week!

# INTERN CORNER

We would love to welcome the 2019-2020 Amity Interns!

Each year most of the money that the Adams PTO raises goes to support our Amity Intern Program. Our interns live with host families and have either finished college or are just about finished studying education. They bring their experience, native Spanish-speaking skills and their cultures to our classrooms.

This year we welcome 7 new interns! From Spain: **Aina (1st)**, **Ana (2nd)** and **Victor (3rd)**; from El Salvador: **Gabriel (K)**, **Krissia (K)** and **Misael (5th)**; and from Colombia: **Robinson (4th)**.

Please introduce yourselves to our interns! If you would like to get more involved, there are many opportunities. **Our primary need right now is for three host families** to host an intern from January through the end of the school year. Please email [adamsinterns@gmail.com](mailto:adamsinterns@gmail.com) for more information or to get connected!
