SECTION 1. ASAP Members shall report to the Superintendent all cases involving serious abusive conduct and/or torts or assaults suffered by them in connection with their employment.

SECTION 2. Upon written request of the ASAP Member involved, the School District shall provide legal counsel for any ASAP Member against whom claim is made or action is brought for recovery of damages in any tort action involving physical injury to any person or property or for wrongful death arising out of or in connection with the employment of such ASAP Member. The choice of such legal counsel shall be made only after consultation with the ASAP Member.

Provision of counsel shall not be construed to render the School District liable for its torts, except as otherwise provided by law, or for reimbursement of costs of counsel provided to the ASAP Member pursuant to the contract obligation of another or otherwise than under M.S. § 127.03, Subd. 2: or for payment of any judgments or any other costs or disbursements in connection therewith where the judgment, cost or disbursement is against the ASAP Member and not against the School District.

SECTION 3. The Board shall provide appropriate bonding for ASAP Members.

ARTICLE 9. VACANCIES AND NEW POSITIONS; PROBATION

SECTION 1. When a vacancy exists, or when a new position is created in an administrative or supervisory position, insofar as the exigencies of the situation permit, the existence of such vacancy or new position shall be made known to the staff and opportunity given for application to be made.

SECTION 2. New Employee Probation. There shall be a three (3) year probationary period for new appointments for individuals not immediately previously employed in the District or for individuals moving into the ASAP bargaining unit who are not tenured in the District.

SECTION 3. New Assignment or Promotional Probation. There shall be a two (2) year probationary period for promotional appointments or new assignments of individuals into ASAP bargaining unit who have tenure in the District. The District will provide training orientation or other job familiarization that's customary for such position.

There is a one (1) year new assignment probation for any ASAP member who is moving to a higher title in ASAP and completed probation in the earlier position. An employee who has not completed the three (3) year probationary period and has taken on a new assignment will serve no less than a one (1) year new assignment probationary period and no less than three (3) years total probationary period.

A probationary ASAP member who is not confirmed in the promotional/new assignment position and who held an ASAP position in the District immediately prior to appointment has the right to return to his/her previous position if the position is vacant, or to a vacant position that is [equivalent](#) to the one held prior to the probationary promotional-appointment.

Provide no less than 45 days for the employee to provide their decision to their supervisor if a change is going to be made to their position such as a change in contract unit, or changing the number of months worked, change in FTE, department change, elimination of position, etc.

SECTION 4. TENURE. The District must maintain and preserve the tenure rights established under M.S. §122A.41 for licensed ASAP Members.

Subd. 4.1. Employees hired into ASAP who are not already tenured in SPPS at the time of appointment to an ASAP classification will not earn tenure with SPPS while in ASAP.

ARTICLE 10. PARENTAL LEAVE

SECTION 1. DEFINITIONS

Subd. 1. Parental leave is a leave without pay granted upon request subject to the provisions of this Section. It may be granted for reasons of adoption, or pregnancy and/or the need to provide parental care for a child or children of the ASAP Member for an extended period of time immediately following adoption or the birth of child.

Subd. 2. Appropriate vacancy as used herein means a position equivalent to the position held by an ASAP Member immediately prior to taking leave and for which the ASAP Member on leave is eligible, which has become vacant at the beginning or during the school year, and for which no other employee has full rights.

SECTION 2. APPLICATION PROCEDURES

Subd. 1. The immediate supervisor shall be informed in writing by the ASAP Member and the appropriate leave application form and necessary medical verification completed and sent to the Director of Human Resources at least two (2) calendar months before the commencement of the intended leave.

SECTION 3. LENGTH OF PARENTAL LEAVE

Subd.1. Except as noted in Section 4, parental leave may be extended for a maximum of twelve (12) additional calendar months provided that a written request for an extension is provided the Director of Human Resources by the ASAP Member at least two (2) calendar months prior to the termination date of the initial leave period.

Subd.2. Parental leave shall be extended until an appropriate vacancy occurs, if none has been offered to the ASAP Member at the time the leave would otherwise terminate. If the ASAP Member refuses reassignment to a position when it is offered, that ASAP Member thereby waives all further rights to reassignment.

SECTION 4. PARENTAL LEAVE WITH GUARANTEE OF POSITION

Subd. 1. An ASAP Member granted parental leave pursuant to the provisions of this Section shall, upon written request and in compliance with this subdivision, be granted the same right to the position held immediately prior to the leave as though the ASAP Member had been working in that position during the leave period. Such absences shall not be counted as time employed for purposes of salary determination or tenure.

Subd. 2. A parental leave with position guarantee shall be granted only for reasons directly attributable to the ASAP Member's present condition of pregnancy.

Subd. 3. The parental leave period with position guarantee shall be limited to a maximum of four (4) calendar months during the year, except noted in Subd. 4 following.

Subd. 4. The scheduled date of commencement or termination of parental leave with position guarantee may otherwise be extended only upon receipt by the Director of Human Resources of written verification by the attending physician that the ASAP Member is unable to continue or resume working for health reasons attributable to the pregnancy.

ARTICLE 10. PARENTAL LEAVE (continued)

Subd. 5. Should an ASAP Member on parental leave with position guarantee anticipate returning to work prior to the scheduled termination date of the leave, the ASAP Member shall provide the Director of Human Resources sufficient prior written notice to allow appropriate accommodations to be made for the ASAP Member's early return.

Subd. 6. An ASAP Member on parental leave with position guarantee who fails to return from such leave as scheduled for reasons other than those included under Subd. 4 of this Section shall thereby relinquish any right to retain or be granted another parental leave with position guarantee. In such instance, unless an ASAP Member chooses to resign, the present leave shall be extended without position guarantee to the beginning of the first school year following the school year in which the leave was granted with no additional extension of such leave to be granted except as noted in Section 4, Subd. 4.

SECTION 5. PROCEDURES FOR TERMINATION OF PARENTAL LEAVE

Subd. 1. Except for leaves granted with position guarantee, the ASAP Member on parental leave shall notify the Director of Human Resources that the ASAP Member desires to terminate the leave on the scheduled date or earlier and to be reassigned to an appropriate vacancy. Such notification shall be provided in writing at least two (2) months prior to the desired date of return from leave.

Subd. 3. "Days" shall mean all week days, excluding Saturdays and Sundays and those holidays and vacation periods specified on the year round calendar.

Subd. 4. "Grievant" shall mean an ASAP Member claiming loss or injury. At Levels II, III, or IV the grievant may be represented by the exclusive representative. Beginning at Level II, in the case of more than one grievant claiming the same grievance, the exclusive representative may carry the matter forward as a single grievance.

Subd. 5. "Superintendent" shall mean the Superintendent of Schools or his designated representative.

Subd. 6. "BMS" shall mean Bureau of Mediation Services.

Subd. 7. "Board" shall mean the Board of Education of Independent School District No. 625. The Board may be represented at any step of this procedure by its designated representatives.

Subd. 8. "Parties" shall mean the grievant and the Board or their designated representatives.

Subd. 9. "Exclusive representative" shall mean the Association of Supervisory and Administrative Personnel.

SECTION 3. PROCEDURES

Level I. A sincere attempt shall be made to resolve any grievances orally between the grievant and immediate superior.

Level II. If the attempt at Level I does not satisfy the grievant, and if he/she has not submitted the grievance in writing to the immediate supervisor, the grievant shall do so on the appropriate form by registered letter within twenty (20) days after the incident giving rise to the grievance. Within eight (8) days after receipt of the written grievance claim, the grievant's immediate superior shall communicate his/her decision in writing to the grievant.

Level III. If the grievant is dissatisfied with the decision communicated in Level II, he/she may file the grievance with the Superintendent within five (5) days after the Level II decision is due or received. Within ten (10) days after receipt of the written grievance claim, the Superintendent shall meet with the grievant in an effort to resolve the grievance. The grievant shall be given at least two (2) days' notice of the meeting. Within ten (10) days after this meeting, the Superintendent shall communicate his/her decision in writing to the grievant and the exclusive representative.

ARTICLE 12. GRIEVANCE PROCEDURE, Section 3 (continued)

Level IV. Arbitration. If the grievant is dissatisfied with the Level III disposition of a grievance claim concerning provisions of the negotiated contract, the exclusive representative may so indicate this and send a request for arbitration in writing to the Board within five (5) days after the date the written decision from the Board is received or due.

Within ten (10) days of receipt of the request for arbitration, the Board representative may meet with the exclusive representative in an effort to select a neutral third party to arbitrate the dispute. If no agreement is reached on a third party, the exclusive representative may request from the Bureau of Mediation Services (BMS) a list of possible arbitrators, provided this request is made within twenty (20) days after receipt or due date of the Level III decision. The Board representative and the exclusive representative shall, under the direction of the BMS, alternately strike names from the list of five (5) arbitrators selected by the BMS until only one name remains, which shall become the arbitrator.

Upon appointment, the arbitrator shall schedule a hearing de novo at which the Board's representatives and the exclusive representative may offer testimony and make written or oral arguments relating to the grievance before the arbitrator.

The arbitrator shall have jurisdiction over disputes relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in provisions of a negotiated agreement, nor to any grievance which has not been submitted to arbitration in compliance with the terms of the grievance procedure as outlined herein, nor to matters of inherent managerial policy of the Board and the Superintendent.

The decision of the arbitrator shall be rendered in writing within twenty (20) days after the close of the hearing. The arbitrator shall have the power to make appropriate awards and his/her decision shall be binding upon the parties within the limitations described herein and in the Public Employment Labor Relations Act of 1971 as amended.

The parties shall share equally the costs and fees of the arbitrator. All other expenses shall be borne by the party incurring the expense, unless the parties have mutually agreed to share specific other costs.

SECTION 4. GENERAL CONDITIONS

Subd. 1. Time Limits. Written decisions at each level shall be issued as soon as possible, but not later than the stated limits, except as these limits are extended by mutual consent in writing prior to the expiration of the time limits.

If a grievant fails to pursue any step within the time limit provided, he/she shall have no further right to process the grievance.

Failure by the Board or its representative to issue a decision within the stipulated time limits shall constitute a denial of the grievance and the grievant may appeal to the next level.

ARTICLE 12. GRIEVANCE PROCEDURE, Section 4 (continued)

Subd. 2. Representation. The grievant shall have the right to have a representative present at all levels but at no expense to the Board.

Subd. 3. Exclusive Representative. The exclusive representative shall be informed by the Superintendent of any decision regarding a grievance at Levels III and IV.

Subd. 4. Grievant's Responsibility. The time needed to pursue a grievance procedure is not to conflict with an ASAP Member's obligations toward the School District.

Subd. 5. ASAP Member's Rights. Nothing herein shall be construed to limit, impair or affect the right of any ASAP Member, group of ASAP Members, their representatives or their professional organization to express or communicate their views, complaints or opinions to the Board of Education.

Subd. 6. Board Authority. Nothing in this procedure shall be construed to diminish or enlarge the authority and/or responsibility of the Board of Education as granted to school boards by the legislature of the State of Minnesota.

Subd. 7. No Reprisal. The fact that a grievance is appropriately raised, regardless of its ultimate disposition, shall not be recorded in the ASAP Member's personnel file or in any file or record utilized in the evaluation or promotion process; nor shall such fact be used in any recommendations for job placement; nor shall an ASAP Member be placed in jeopardy or be subject to reprisal for having followed these grievance procedures.

SECTION 4. Lane Change Requirements. ASAP Members shall be eligible for change in lane placement on the salary schedule in accordance with the changes in their earned degrees and credits as specified in the provisions of this Section.

Subd. 1. General Eligibility Requirements. Graduate credits and degrees to be considered for application to the salary schedule shall be earned from institutions recognized for the purpose of certification by the State Department of Education. Course work from other institutions may be considered only if the work is relevant to the ASAP Member's daily assignment, and if equivalent course content is not available through accredited institutions deemed by the Superintendent to be reasonably accessible to the ASAP Member, and only with prior approval of the Superintendent.

Subd. 2. All graduate work must carry a minimum grade average of "C", pass or satisfactory in each institution where the work is completed.

Subd. 3. All credits and degrees to be recognized must be relevant to the contractual assignment of the ASAP Member.

Subd. 4. Only graduate credits shall be applicable toward lane advancement. The only exceptions shall be for undergraduate or in-service credits specifically approved in advance by the Director of Human Resources. **Only classes taken on unpaid time and for which the District has not paid the tuition or fees for the course or reimbursed the employee for those costs can be eligible for lane credit.**

4.1 Graduate Credits

4.1.1 Graduate credits earned through colleges and universities accredited to grant advanced degrees will be acceptable provided they are recognized as fulfillment of requirements for graduate programs within the institution where the credits are completed, or when transcribed by an accredited graduate school.

4.1.2 Credits earned through colleges and universities not authorized to grant advanced degrees, but which are permitted to teach graduate-level courses by the recognized accrediting agency (i.e., NCATE), shall be acceptable provided they meet the other criteria specified in this Section.

ARTICLE 13. SALARY PROVISIONS, Section 4 (continued)

- 4.1.3 Credits which are informally described and advertised as graduate credits by an institution accredited to offer graduate degree programs, but which are not acceptable in fulfillment of graduate degree requirements of that institution, are unacceptable, except as provided in 4.1.1 of this Subd.

Subd. 5. ASAP recognizes that the Board desires all ASAP Members to improve their understanding of human relations, and therefore agrees to participate in training programs offered in response to the State Department of Education regulation 521 - Human Relations in Teacher Education. To that end, credits for courses approved by the State Department of Education for this purpose shall be applied to the salary schedule beyond the limits herein stated.

Subd. 6. Lane changes shall not exceed one (1) lane per District fiscal year, except for movement from MA+45 to Ph.D.

Subd. 7. Procedures for effecting lane changes:

7.1 Evaluation of credits for lane changes shall be made only after receipt of written request, and the required documentation, in the Human Resource Department. Such evaluation shall be based upon official transcripts. In order to establish an effective date of increase, temporary equivalent verification forms supplied by the Human Resource Department may be completed and submitted by the ASAP Member, pending the arrival of such official documents. All final verification materials must be in the original.

7.2 Lane changes may become effective only after all documentation has been received.

Subd. 8. Individuals eligible for a change to a higher lane on the salary schedule during the contract year shall receive the increase, effective from the date of the third full pay period after receipt in the Human Resource Department of all necessary official verification.

The District, at its discretion, may limit the amount of repayment to less than the two (2) year retroactive period described above. The reduction of a reimbursement period will be based on the nature of the error and whether the employee took reasonable preventative action by routinely reviewing the accuracy of his/her biweekly compensation.

ARTICLE 14. MISCELLANEOUS PROVISIONS

SECTION 1. MILEAGE. ASAP Members whose duties require an automobile will be reimbursed on the basis of the current Board approved rate, for job-related use. Reimbursable mileage shall be reported and paid in accordance with the rules and regulations established by the School District. Recipients of mileage reimbursement shall maintain automobile liability insurance in the amounts not less than \$100,000/\$300,000 for personal injury and \$50,000 for property damage. The Board may, at its sole discretion, effect an increase in the reimbursement rate per mile.

ARTICLE 15. SCOPE AND DURATION OF AGREEMENT

SECTION 1. At any time during the term of this Agreement, the ASAP shall have the right to meet and confer with the Board on appropriate matters of policy.

SECTION 2. When the expiration date of this Agreement is reached, and when negotiations for amendments hereof or for a new agreement have not yet been completed, the terms and provisions of this Agreement and salary and benefits shall be maintained without adjustment until agreement is reached between the parties for amendments hereto or for a new agreement.

SECTION 3. SEVERABILITY. If any provisions of this Agreement shall be contrary to any applicable law, or determined to be void or unenforceable, all of the other provisions of this contract shall remain in full force and effect.

SECTION 4. In the event any provision of this Agreement is found to be contrary to law or to local, state or federal regulations, the Board shall not be required to add any funds for terms and conditions of employment in order to rectify the matter.

MEMORANDUM OF AGREEMENT

BETWEEN ASSOCIATION OF SUPERVISORY AND ADMINISTRATIVE PERSONNEL AND
INDEPENDENT SCHOOL DISTRICT NO. 625

REGARDING IMPROVEMENT PLANS

Placement on an Improvement Plan

The direct supervisor will advise the ASAP Member that the ASAP Member's performance needs improvement. The parties will discuss performance issues and attempt corrections on an informal basis. If the supervisor determines that improvement in the ASAP Member's performance has not occurred, the supervisor will design a reasonable improvement plan which clearly sets out expectations, supports, and timelines to improve performance. While the supervisor is responsible for creating the improvement plan, he/she will meet with the ASAP Member to discuss and develop the components of the plan. The ASAP Member has the right to representation at this meeting if the ASAP Member so chooses.

If, after the first performance improvement plan the supervisor determines that improvement in the ASAP Member's performance has not satisfactorily occurred, the supervisor will design a second reasonable improvement plan which clearly sets out expectations, supports, and timelines to improve performance. While the supervisor is responsible for creating the improvement plan, he/she will meet with the ASAP Member to discuss and develop the components of the plan. The ASAP Member has the right to representation at this meeting if the ASAP Member so chooses. If, after a second performance improvement plan an ASAP member has not met performance standards, the ASAP member may be relieved of the position.

"On Track"

An ASAP Member will be considered "on track" if the ASAP Member has substantial compliance with the components of the improvement plan as of May 15. The supervisor also must be substantially "on track" in providing timely support and monitoring of the improvement plan. "On track" means following the actions and adhering to the timelines outlined in the improvement plan. The supervisor will determine and notify the ASAP Member as of May 15 if the supervisor determines that the ASAP Member is not "on-track." A meeting will be held no later than June 1 of that year to discuss the supervisor's determination. The ASAP Member will have an opportunity to present additional information and mitigating circumstances. The ASAP Member may have representation at this meeting if the ASAP Member desires. If after this meeting the supervisor determines that the ASAP Member is not on track, the ASAP Member will not receive step advancement as of July 1 or, if the ASAP Member is on the top step of the salary schedule, the ASAP Member's salary will be frozen. If the supervisor is not substantially on track, a step increment or salary increase cannot be withheld. The ASAP Member shall have the step or salary increase granted retroactively to July 1 if the ASAP Member successfully completes the components of the improvement plan.

The supervisor may determine the ASAP Member's performance is improving and the ASAP Member is on track with the improvement plan by the end of one school year and still have performance concerns that need to be addressed in the upcoming school year. In these cases a new improvement plan with clear expectations and timelines for the upcoming school year will be created.

Memorandum of Agreement Regarding Improvement Plans (continued)

Rights to Review

Placement on an improvement plan is at the discretion of the District. An ASAP Member may appeal the components or timelines of an improvement plan to the Superintendent. If step advancement/salary increase is not reinstated within twelve (12) months, the ASAP Member may utilize the grievance procedure to seek reinstatement of the step/salary increase.

These provisions apply to attempts to remediate performance and do not modify employees' rights or employer's rights with regard to disciplinary procedures.

ADDITIONAL INFORMATION

AUXILIARY GRIEVANCE PROCEDURE

(Not a Part of the Negotiated Agreement)

The grievance procedure contained in the Agreement shall be applicable through Step 4, but not arbitration, for other matters of policy and regulations of Independent School District No. 625. For this purpose, a grievance is defined as an allegation that there has been an explicit violation, misinterpretation, or misapplication of policies or regulations of this School District.

LABOR MANAGEMENT COOPERATION

(Not a Part of the Negotiated Agreement)

The District and Association agree that it is in the best interest of ASAP Members and the school district to meet and discuss areas of concern or ideas for ways to improve what we are already doing. Therefore, the Association and the District will work together, during the term of the 2017-2019 labor agreement, on a forum for these discussions. These discussions are intended to address issues quickly by bringing people relevant to the discussion together in a forum to talk. Either the Association or the District can initiate these discussions. Both parties understand that to limit disruptions at the various work sites, participation in these discussions should be limited to small groups of people. This forum does not replace negotiations of contractual issues.

During the length of the July 1, 2017 – June 20, 2019 contract, the District and ASAP agree to explore a new salary schedule structure to continue the progress of alignment of positions that have been added to the bargaining unit.
