Secondary factors that shall be considered are the length of service and benefit to the individual. Consideration may also be given to the availability of a replacement should a leave be granted.
- 9.8 The sabbatical leave will be approved at the discretion of the HR Director.

SECTION 2. LAYOFF PROCEDURES. When the district affects a layoff in a job title, employees shall be laid off in reverse order of the employee's seniority within that job title provided that the more senior employee is qualified to perform the job of the displaced employee. Laid off employees will have the right to apply for and be interviewed for other vacant positions within the School and Community Service Professionals group. Laid off employees retain the right to be recalled to open School and Community Service Professional positions for which they are qualified for up to twenty four (24) months. The District will create and maintain an official list of School and Community Service Professionals awaiting reinstatement. Employees discharged from employment for unsatisfactory work or other just cause, pursuant to **Article 14**, will not have displacement rights under the terms of this agreement and will not have reinstatement rights only at the discretion of the district.

SECTION 3. EXCLUDED POSITIONS. In some instances, specific unique positions may be designated as excluded from general seniority applicability, because unique skills or training are required of that position. The Federation and the District will agree on the list of "excluded positions" by March 1 of each year.

ARTICLE 17. SUMMER POSITIONS.

Ten (10) month School and Community Service Professionals will have the first opportunity to fill all summer positions involving School and Community Service Professional bargaining unit positions (except for those positions already held by twelve [12] month School and Community Service Professionals). Ten (10) month School and Community Service Professionals will be given a period of 7 -days to apply for positions that are posted. In the event that more than one ten (10) month School and Community Service Professional applies for the same position, (provided the employee is qualified for the summer position) the most senior ten (10) month School and Community Service Professional shall be assigned to the position. Once the 7-day period has elapsed, the district may open the unfilled positions up to other SPPS employees. Ten (10) month School and Community Service Professionals who work a summer position shall be paid at their regular daily rate of pay.

ARTICLE 18. DURATION

SECTION 1. TERM AND REOPENING NEGOTIATIONS. This Agreement shall remain in full force and effect for a period commencing July 1, 2017, through June 30, 2019, except as otherwise specified herein. If either party desires to modify or amend this Agreement commencing on July 1, 2019 it shall give written notice of such intent no less than ninety (90) days prior to that date.

Subd. 1. Appendix A, the pay schedule attached to this Agreement, shall be effective as indicated therein.

SECTION 2. EFFECT. This Agreement constitutes the full and complete Agreement between the District and the Federation as the exclusive representative of this bargaining unit. The provisions herein relating to terms and conditions of employment supersede any and all prior agreements, resolutions, practices, District policies, rules or regulations concerning terms and conditions of employment which are inconsistent with these provisions.

SECTION 3. FINALITY. Any matters relating to the current contract term, whether or not referred to in this Agreement, shall not be open for negotiation during this term of this Agreement except as stated in this Agreement.

SECTION 4. SEVERABILITY. All provisions of this Agreement are subject to the laws, rules, regulations, and orders of state and federal governments and their agencies. Any provision of this Agreement found to be in violation of any such regulations, directives, laws, and orders shall not be applicable or performed or enforced, except to the extent permitted by law; all other provisions shall continue in effect.

Statement of Intent Regarding School Restructuring

The District and the Union agree that one of the approaches to achieving the mutual goal of ensuring success for all students is to work together to restructure schools when it is deemed necessary. It is the intent of the Parties that School and Community Service Professional who work in schools to be restructured and administrators in these schools will work collaboratively to create effective learning environments for students. Employees and parents shall have a voice in designing programs and determining work rules that are likely to be successful in such schools. The Union and District agree that School and Community Professional who are working at restructured schools will be engaged in the discussions and process

Statement of Intent Regarding Facilities Safety

The District will adopt clear policies and procedures about access to non-public work areas in order to help eliminate confusion about appropriate access. Input from the Federation on needed areas for improvement will be taken into consideration when developing these plans.

Statement of Agreement Regarding District Match

On 403(b) Retirement Savings Plan or 457 Deferred Compensation Plan forms, the District will remove the requirement for affirmatively checking to receive the district match. Employees who choose to participate in the 403(b) Retirement Savings Plan, or the 457 Deferred Compensation Plan, will automatically receive the match per their collective bargaining agreement.

The District will send a letter to each current eligible participant who is not currently receiving the 403b or 457 district match along with the correct form and instructions to elect the district match.

Statement of Intent Regarding Collaboratively Seeking Full Funding For Racially Equitable Schools

Whereas: State funding for public education in Saint Paul has, compared to inflation, declined by over \$1,000 per pupil since 2003 while the needs of our students have increased; and

Whereas: Businesses choose Minnesota, and Saint Paul specifically, because our community offers a high quality of life, and a highly-educated workforce that exists because of our long history of strong support for public education; and

Whereas: There exists mutually desirable programs and services that both sides agree can advance the educational experience of students as SPPS that cannot be fully funded with dollars in the current district budget; and

Whereas: Our shared goals include working toward eliminating the school-to-prison and school-to-deportation pipelines, as well as the racial predictability of educational outcomes. Public Education is at the heart of our democracy and there has never been a more critical time to invest in preparing our children for their roles as citizens in our society and for the lives and challenges in their futures that we do not yet know; therefore *Be it Resolved that:* The Saint Paul Board of Education and the Saint Paul Federation of Teachers will collaborate to secure additional support for Saint Paul Public Schools by:

Collaborating and seeking joint agreements with major local corporations for the purpose of developing funding and partnership strategies that are agreeable to all parties, securing significant additional programming and classroom support for Saint Paul Public Schools. Leadership of SPPS, SPFT and the intended corporate neighbor will be part of each collaboration; and

Collaborating and seeking joint agreements with major local healthcare and higher education non-for-profit corporations for the purpose of developing funding and partnership strategies that are agreeable to all parties, securing significant additional programming and classroom support of Saint Paul Public Schools. Leadership of SPPS, SPFT and the intended non-for-profit neighbor will be part of each collaboration; and

Jointly lobbying for state and federal funding that meets the needs of Saint Paul children and current legal obligations during the 2018 and 2019 legislative sessions, including fully funding special education and English learner services; and

Creating a collaborative team representative of SPFT, SPPS District, the community and Board to conduct a feasibility study and seek a referendum; and

Collaborating, with the assistance of the American Federation of Teachers, on a program to increase SPPS enrollment through a door-to-door canvass/recruitment campaign.

Additional supports and funding secured through this agreement will be used for progress towards the following goals:

Expanded special education supports from Educational Assistants and licensed staff

Expanded EL student services and bilingual family support from Educational Assistants and licensed staff

Providing additional student mental health supports from licensed staff and School and Community Service Professionals

Other priorities as determined by the strategic plan
