STUDENT TELEPHONE USE
Students are not allowed to use school telephones, except in the case of an emergency and with adult permission.

STUDENT TRAVEL
While recognizing that travel can provide many educational opportunities for students, certain criteria must be met for student absences to be approved. Truancy laws outline acceptable and unlawful excuses for student absences and allow schools to develop policies to determine whether an absence is counted as excused or unexcused.

Whenever possible, travel should be completed during vacation times to limit the number of instructional days students miss.

If students are absent from school due to travel, the following requirements must be met for the absence not to be counted as truant and to save the student’s space:

- A minimum prior notification of two weeks.
- Complete the Riverview Guidelines for Student Travel request form and return it to your child’s teacher for approval. The teacher will then submit the form to the Riverview administrator for approval.
- Students are responsible to complete all homework assigned during their vacation. Homework should be turned into the teacher upon the student’s return to school.
Approval for travel may be denied if the student is significantly behind in his/her schoolwork and/or there are concerns regarding excessive tardiness or absences.

**TARDY**

Students are considered tardy if they are not in their classroom 8:30 AM. Any student who is tardy must stop in the main office before proceeding to the classroom. Students will not be admitted to class without a tardy slip from the office. Three unexcused tardies result in one day of absence in our mandated county reporting for school attendance.

**TELEPHONE MESSAGES - STUDENTS AND TEACHERS**

Messages for teachers can be left anytime during the day, please call 651-293-8665 and you will be transferred to the teacher’s voice mail. Teachers usually check their voice mail before school and during their scheduled prep time. Please check your teacher’s schedule for exact times. We make every attempt not to interrupt teachers while they are teaching unless there is an emergency.

**TESTING**

St. Paul Public Schools gives the state-mandated Minnesota Comprehensive Reading and Math Assessments (MCA) to students in third through fifth grade. In addition, fifth grade students also take the MCA science test. Information on specific dates is located on the Saint Paul Public Schools website and Minnesota Department of Education website. Specific information on each test will be sent to parents closer to when the tests are given.

**TRANSPORTATION**

**Bus**

School bus rules are enforced for all students, whether they are everyday riders or are on a school field trip or event. The rules and consequences are in the pamphlet: *Protect Your Riding Privileges - Student Responsibilities*, available at school.

**Rules and Procedures**

1. Students are to ride their assigned bus only, entering and exiting only at their assigned bus stop. **STUDENTS MAY NOT RIDE ANOTHER STUDENT’S BUS - NO EXCEPTIONS!**
2. Students must follow the driver’s directions at all times.
3. Students must remain in bus seats while the bus is in motion. Once seated on the bus there is no moving from seat to seat.
4. Students must speak in a normal, quiet tone of voice. Shouting and profanity will not be tolerated.
5. Students must keep hands, feet, and objects to themselves.
6. Students may not eat or drink on the bus.
7. Students must wait for the driver’s directions before crossing the street in front of the bus.
8. Students who stick their hands or head out the window, open an emergency exit, or use pyrotechnic devices (i.e. lighters, matches, firecrackers, etc.) may be suspended from all bus services immediately for 120 days for grades 4 & 5 and 30 days for grades K-3.

Disciplinary action will be taken for misbehavior in accordance with Board of Education and State of Minnesota Law. The legal definition of Minnesota Pupil Fair Dismissal Act, 127.26 is applied. Any student suspended from the bus may not ride to or from school or on any other class/school event, such as field trips.

Please contact the school office if you have any concern regarding your child’s bus transportation.

**Other Transportation Issues**

Parents must inform the school of any change in transportation. **Students will not be allowed to change from riding the bus or walking unless the school has had direct communication with the parent (via a phone call or parent note). In addition, students are NOT permitted to change buses unless the change is in affect for a minimum of 10 school days. THERE IS NOT EXCEPTION TO THIS RULE.**
If there is any change in the way your child will be going home, please send a note with the student to school that morning. Children will be put on the bus if we do not have a note or a parent/guardian has not contacted the school directly. Please remember we cannot accept dismissal changes from a student.

UNIFORM POLICY
All students at Riverview Elementary School are required to wear an appropriate school uniform every day. Students will not be permitted in class unless they are wearing an appropriate school uniform. If a student comes to school without a proper uniform on, he/she will be required to change into a borrowed uniform.

Please see the Behavior Support Handbook for specific details of the Riverview School Uniform Policy.

VISITORS
We encourage parents to visit Riverview School classrooms, but request that you contact the school office in advance. We will confirm the appointment with the teacher. All visitors MUST FIRST REPORT TO THE FRONT DESK OR SCHOOL OFFICE AND SIGN THE REGISTER. Visitors will also be asked to wear a “Visitor Badge.” Our teachers have been instructed not to allow visitors in the classroom without office approval. This rule is for the protection of your child.

VOLUNTEERS
Volunteers are welcome in our building to help out in the classroom, lunchroom, library, or office. Please contact the volunteer coordinator at 651-293-8665 if you are interested in volunteering. If you have a special talent to share, please contact your child’s teacher.

WEAPONS
The St. Paul Schools Student Conduct Guide states: “There will be zero tolerance of weapons of any kind. ‘Weapon’ means any firearm, whether loaded or unloaded, a knife, or any device capable of producing death or bodily harm, or any other device or instrument which, in the manner it is used or intend to be used, is calculated or likely to produce death or bodily harm.”

If a weapon is brought to school, the police will be notified immediately. Consequences for weapons violations are suspension and/or expulsion.

WELLNESS POLICY
The SPPS Board of Education has approved a Wellness Policy. This policy provides nutrition and physical education guidelines to help our schools become healthier places for our students. Research clearly shows that nutrition and physical activity are directly linked to academic achievement. Riverview asks families to follow these recommended guidelines.

Because many students have food allergies or special food needs, students are asked to not share their food or beverages with other students during meal or snack times.

Families are encouraged to pack healthy lunches and snacks and to try and not include foods with little or no nutritional value.

Families are requested to NOT send food such as cakes and cupcakes for birthday celebrations. Acceptable foods and other nonfood suggestions for birthday celebrations are available from teachers or the main office.

Eating food is allowed only in the lunchroom or classrooms.

Students who eat school lunches are strongly discouraged from bring extra food into the lunchroom.

Students should NOT bring the following items to school (they will be confiscated and thrown away): candy, gum, pop, and bags of chips or Fritos larger than a single serving.
