Greetings Farnsworth Aerospace Families!

Our Farnsworth Aerospace community thanks you for your commitment to connect with us to provide a quality education for your child during distance learning. We are in deep gratitude to you and your support of your child’s learning at home. Our staff looks forward to our continued partnership to best meet your child’s learning needs for our 2020-2021 school year!

On Wednesday, May 20th from 3:00 to 4:00 pm, Farnsworth invites our families to please share your ideas on how we can continue to work with you in meeting the academic, social/emotional, and engagement needs of our students and families for the 2020-2021 school year. During our time together, we would be honored to hear our parents’ ideas on these plans for next year:

- We’ll share our goals for our Family Friendly School Continuous Improvement Plan (SCIP) for 2020-2021. What are your ideas on how we can work with you and your child in the goal areas of math, literacy, and student engagement?
- We encourage our families to share how our Farnsworth community can best support you in our Family Engagement Plan (FEP) and Compact. Our FEP and Compact is an agreement between our Farnsworth community and families on how we can work in partnership to best meet the learning and engagement of our students and families. To learn more about our partnership plans, please view the attached Farnsworth FEP and Compact.

Please join our meeting Wednesday, May 20 meeting from 3:00 to 4:00 on Zoom using these login directions:
